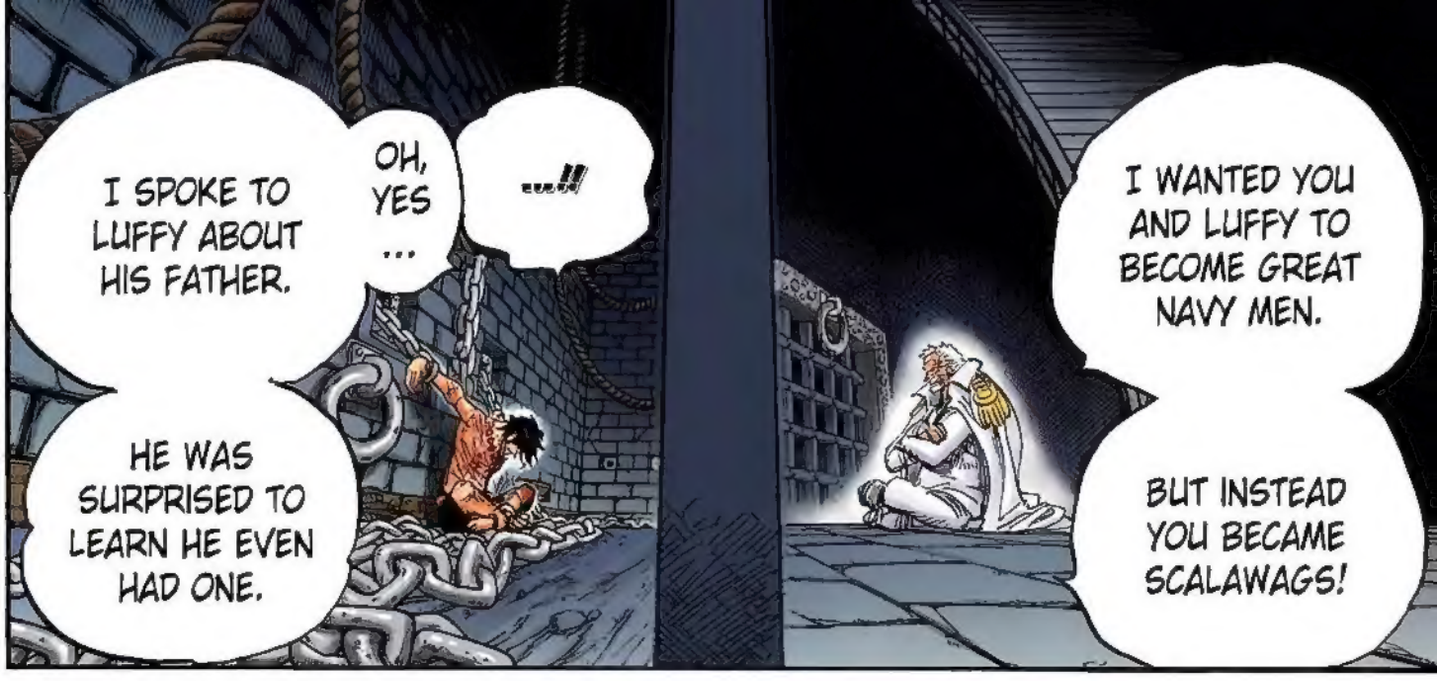
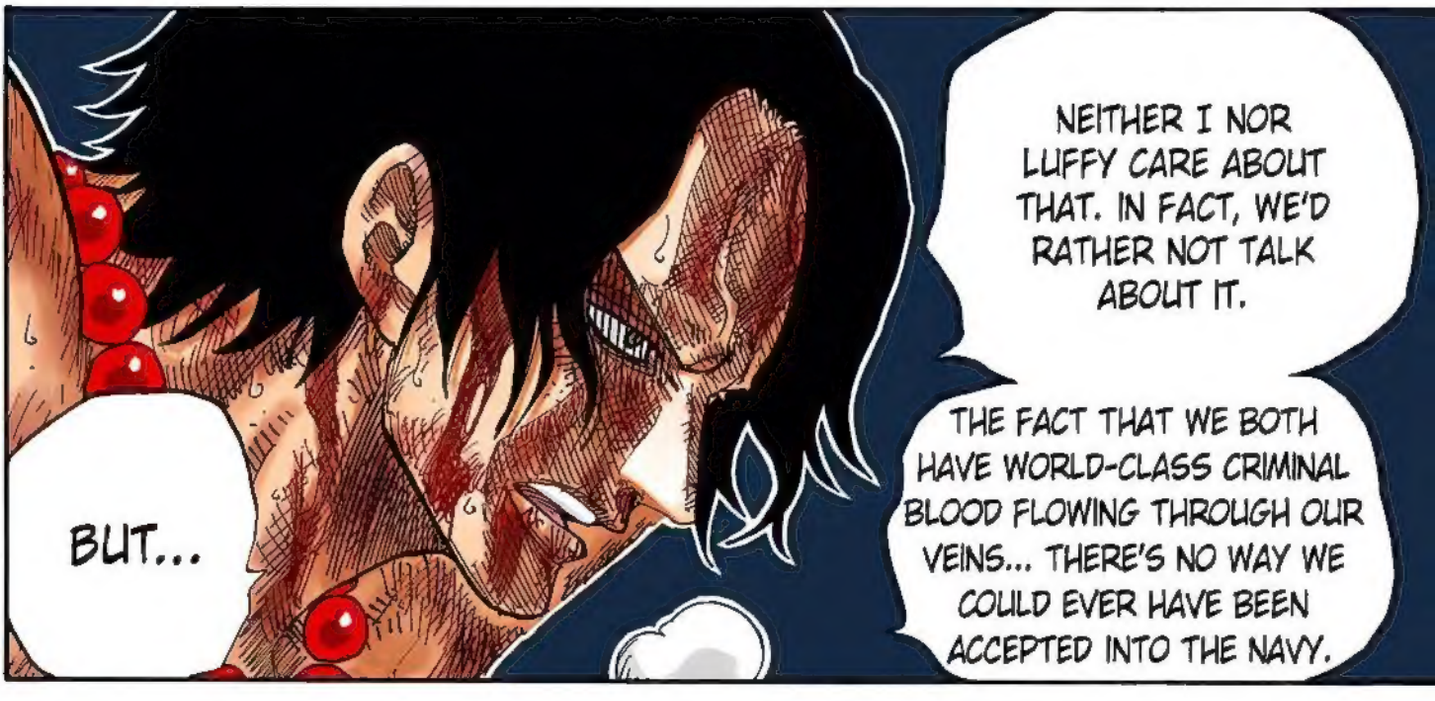
Chapter 525:
THE UNDERWATER PRISON IMPEL DOWN

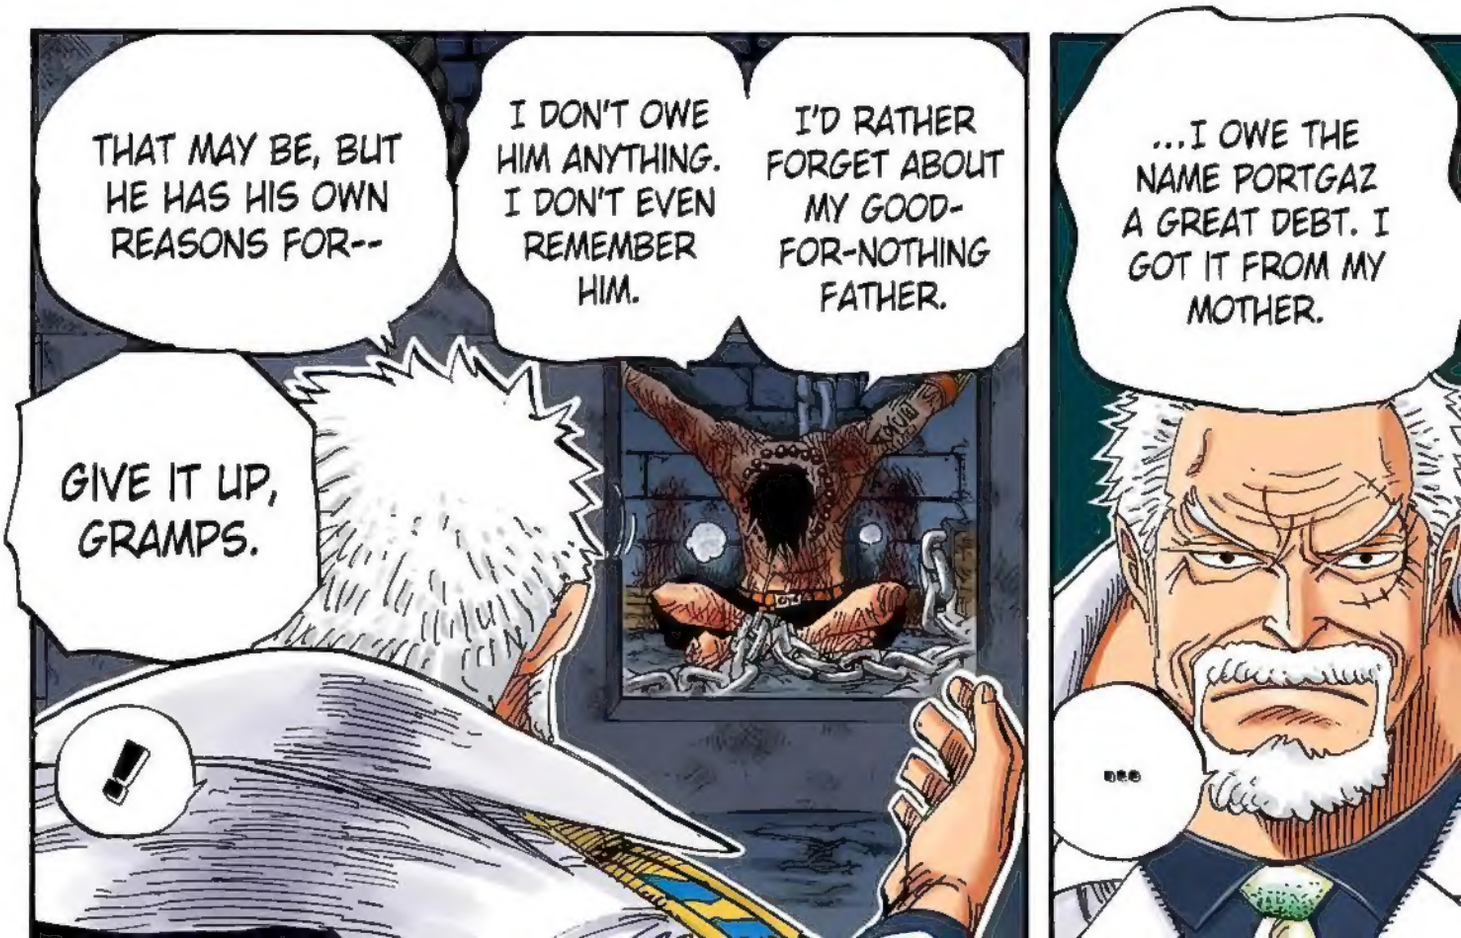
CP9 INDEPENDENT REPORT, VOL. 31:
"WE WILL RETURN ONE DAY"



I SPOKE TO LUFFY ABOUT HIS FATHER.
OH, YES ...
...!!
HE WAS SURPRISED TO LEARN HE EVEN HAD ONE.
I WANTED YOU AND LUFFY TO BECOME GREAT NAVY MEN.
BUT INSTEAD YOU BECAME SCALAWAGS!



BUT...
NEITHER I NOR LUFFY CARE ABOUT THAT. IN FACT, WE'D RATHER NOT TALK ABOUT IT.
THE FACT THAT WE BOTH HAVE WORLD-CLASS CRIMINAL BLOOD FLOWING THROUGH OUR VEINS... THERE'S NO WAY WE COULD EVER HAVE BEEN ACCEPTED INTO THE NAVY.



THAT MAY BE, BUT HE HAS HIS OWN REASONS FOR--
I DON'T OWE HIM ANYTHING. I DON'T EVEN REMEMBER HIM.
I'D RATHER FORGET ABOUT MY GOOD-FOR-NOTHING FATHER.
GIVE IT UP, GRAMPS.
!
...I OWE THE NAME PORTGAZ A GREAT DEBT. I GOT IT FROM MY MOTHER.

...?!
IT WOULD BE A WASTE IF YOU DIED NOW, SONNY.
BE MY SON!
UNDER MY NAME...
...GO AND WREAK HAVOC ON THESE SEAS!
...IS MY ONLY FATHER!!
WHITE-BEARD...

WHOSE FLAG IS IT FLYING?
I'LL LOOK IT UP RIGHT AWAY.

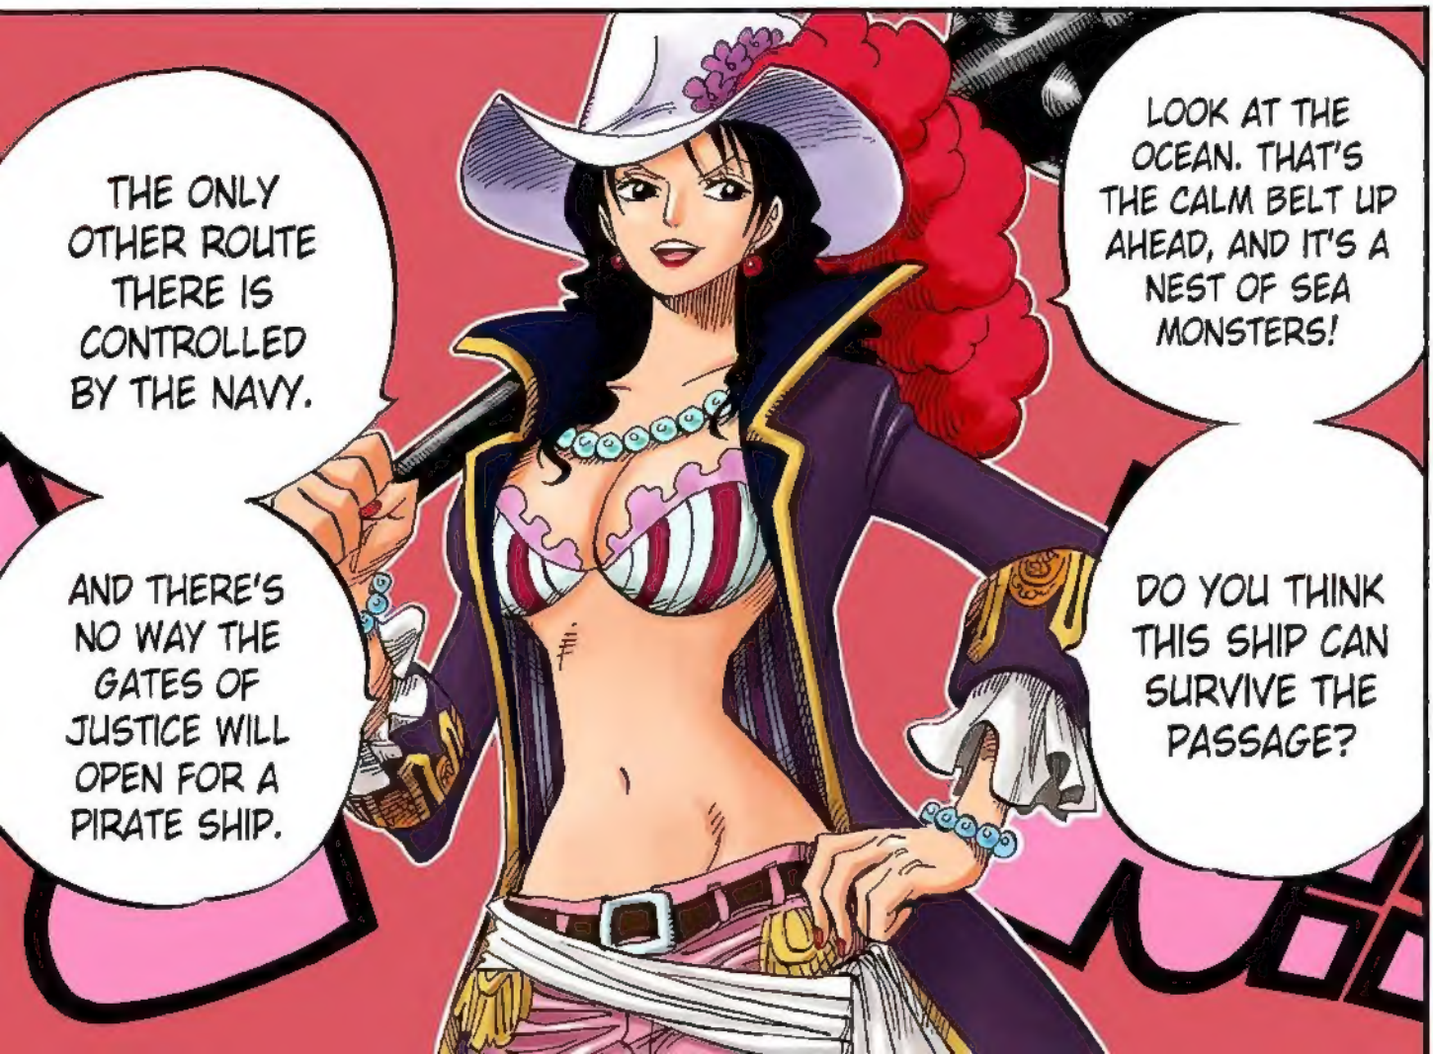
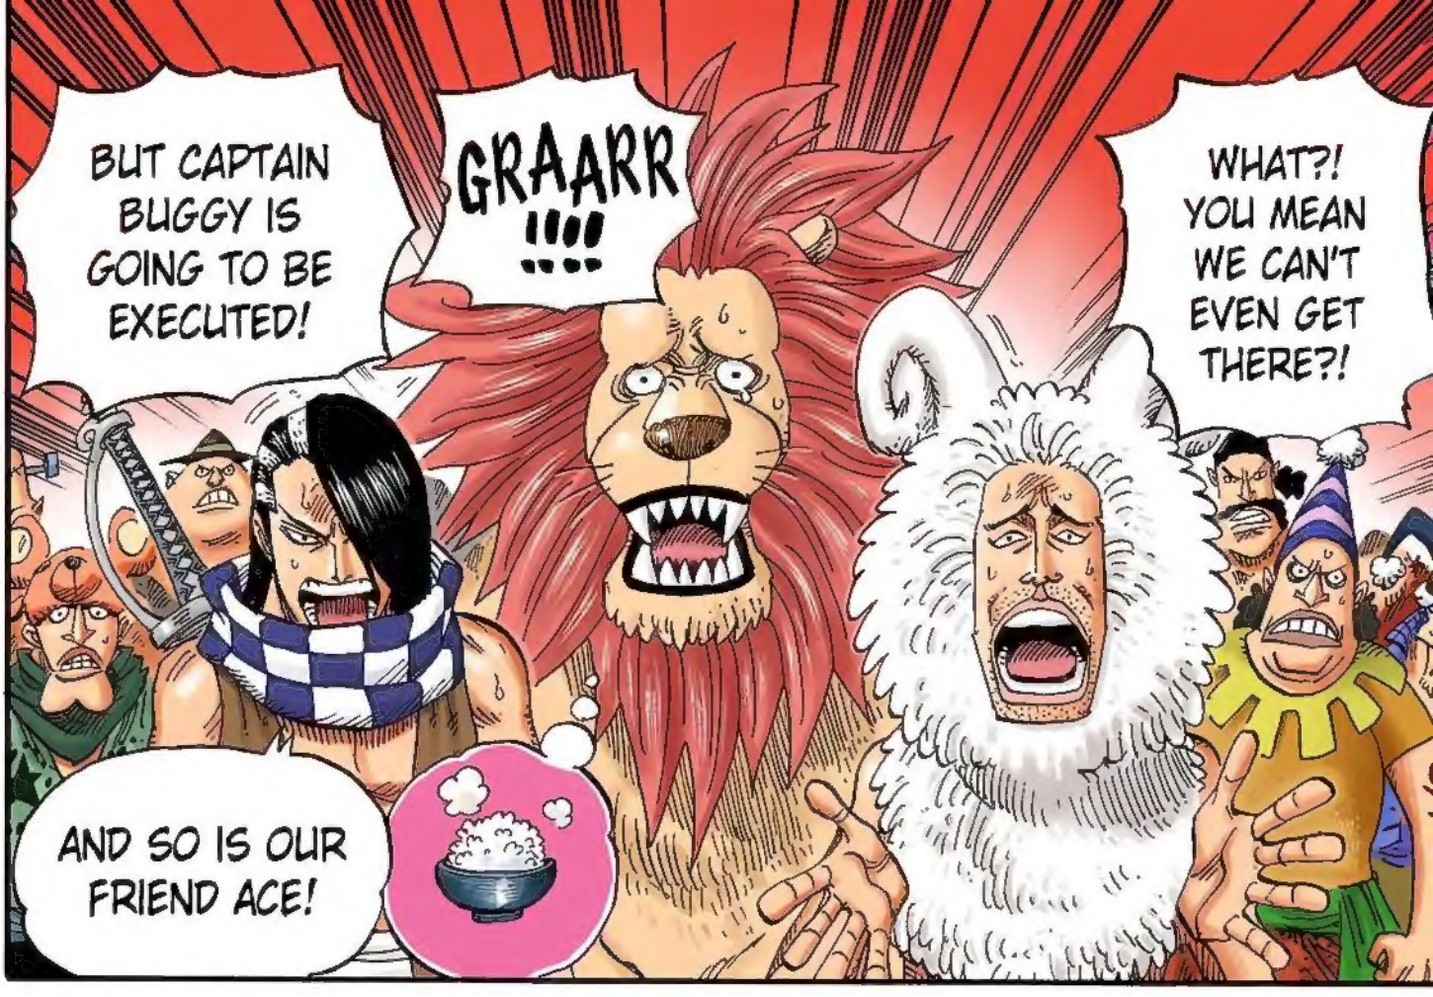
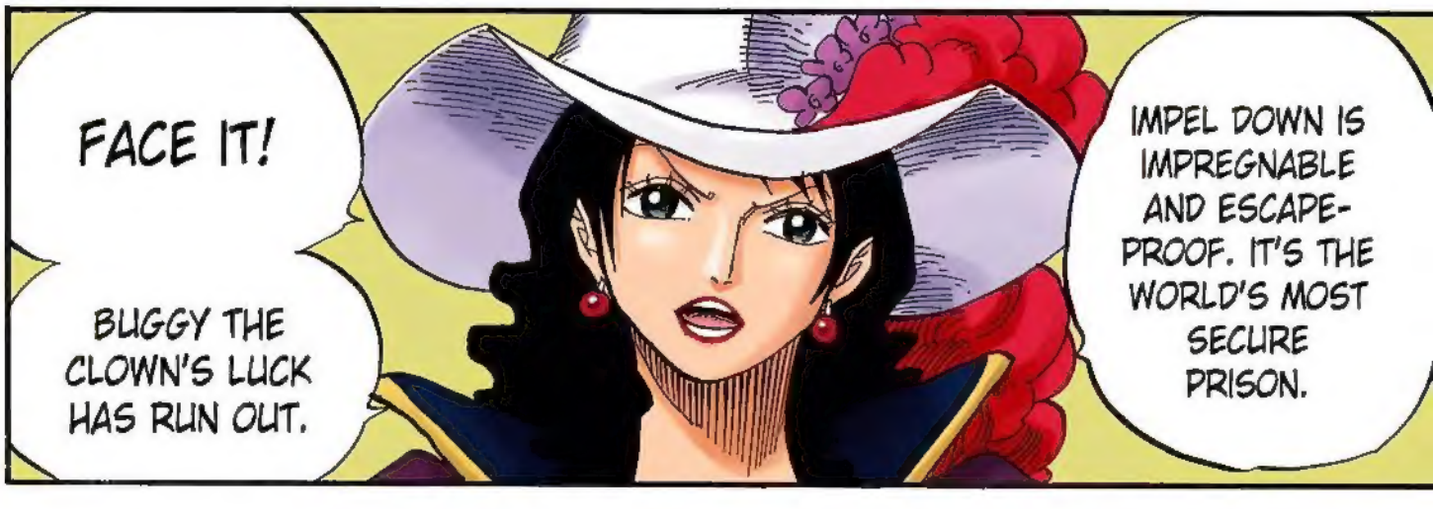
うえーーん!!
...EVEN THOUGH THIS ETERNAL POSE COST A FORTUNE!
YOU'RE THE ONES WHO WANTED TO COME HERE...



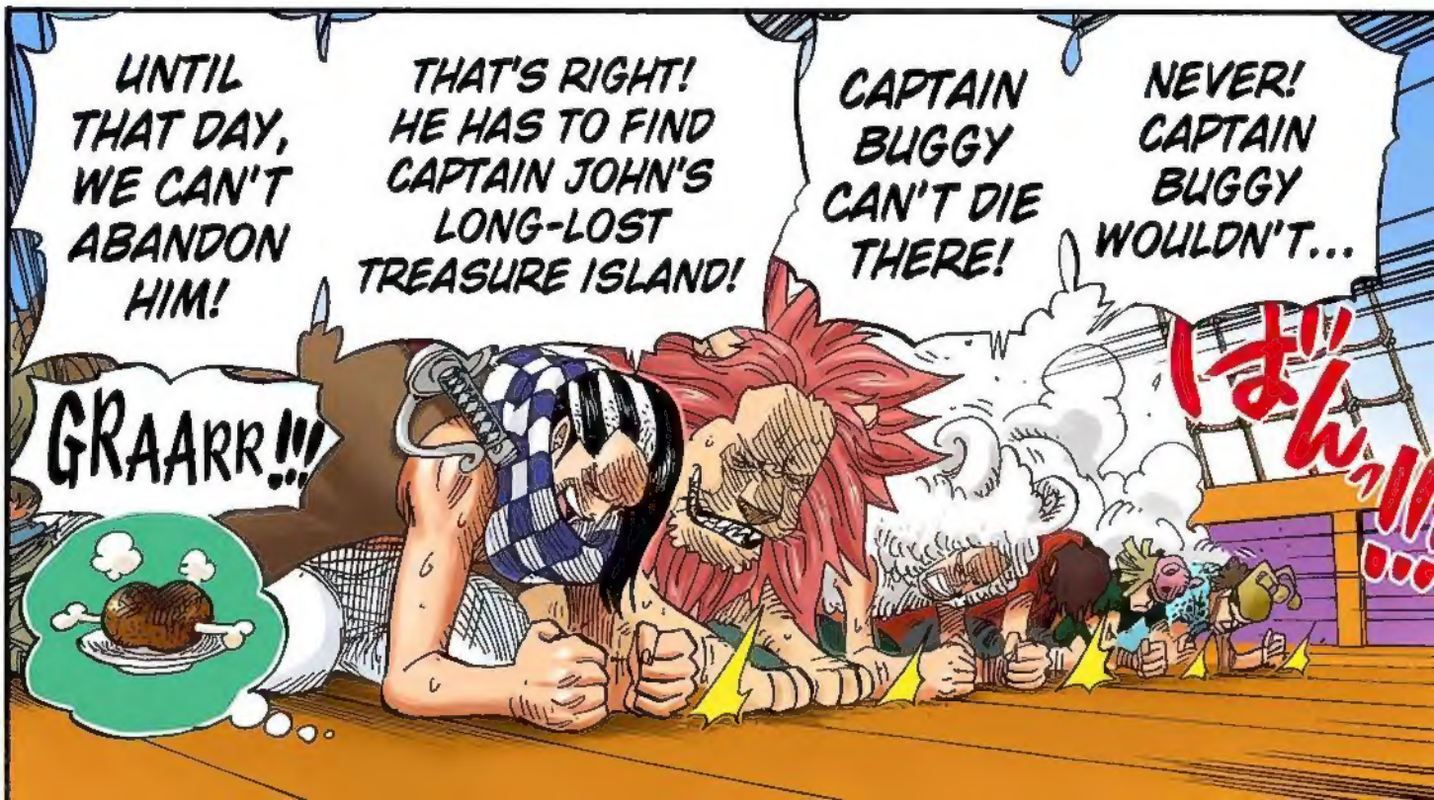
THE ONLY OTHER ROUTE THERE IS CONTROLLED BY THE NAVY.
AND THERE'S NO WAY THE GATES OF JUSTICE WILL OPEN FOR A PIRATE SHIP.
LOOK AT THE OCEAN. THAT'S THE CALM BELT UP AHEAD, AND IT'S A NEST OF SEA MONSTERS!
DO YOU THINK THIS SHIP CAN SURVIVE THE PASSAGE?



BUT CAPTAIN BUGGY IS GOING TO BE EXECUTED!
GRAARR!!!
WHAT?! YOU MEAN WE CAN'T EVEN GET THERE?!
AND SO IS OUR FRIEND ACE!



FACE IT!
BUGGY THE CLOWN'S LUCK HAS RUN OUT.
IMPEL DOWN IS IMPREGNABLE AND ESCAPE-PROOF. IT'S THE WORLD'S MOST SECURE PRISON.



UNTIL THAT DAY, WE CAN'T ABANDON HIM!
THAT'S RIGHT! HE HAS TO FIND CAPTAIN JOHN'S LONG-LOST TREASURE ISLAND!
CAPTAIN BUGGY CAN'T DIE THERE!
NEVER! CAPTAIN BUGGY WOULDN'T...
GRAARR!!!

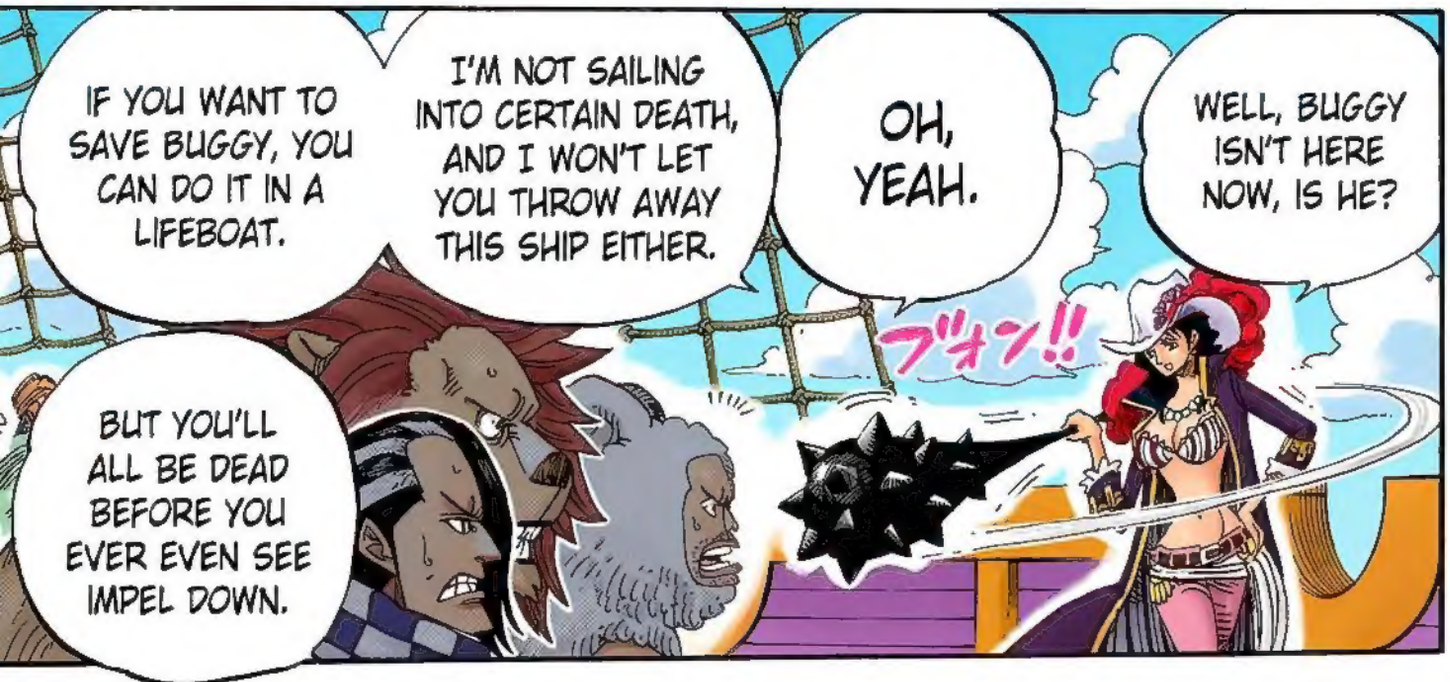
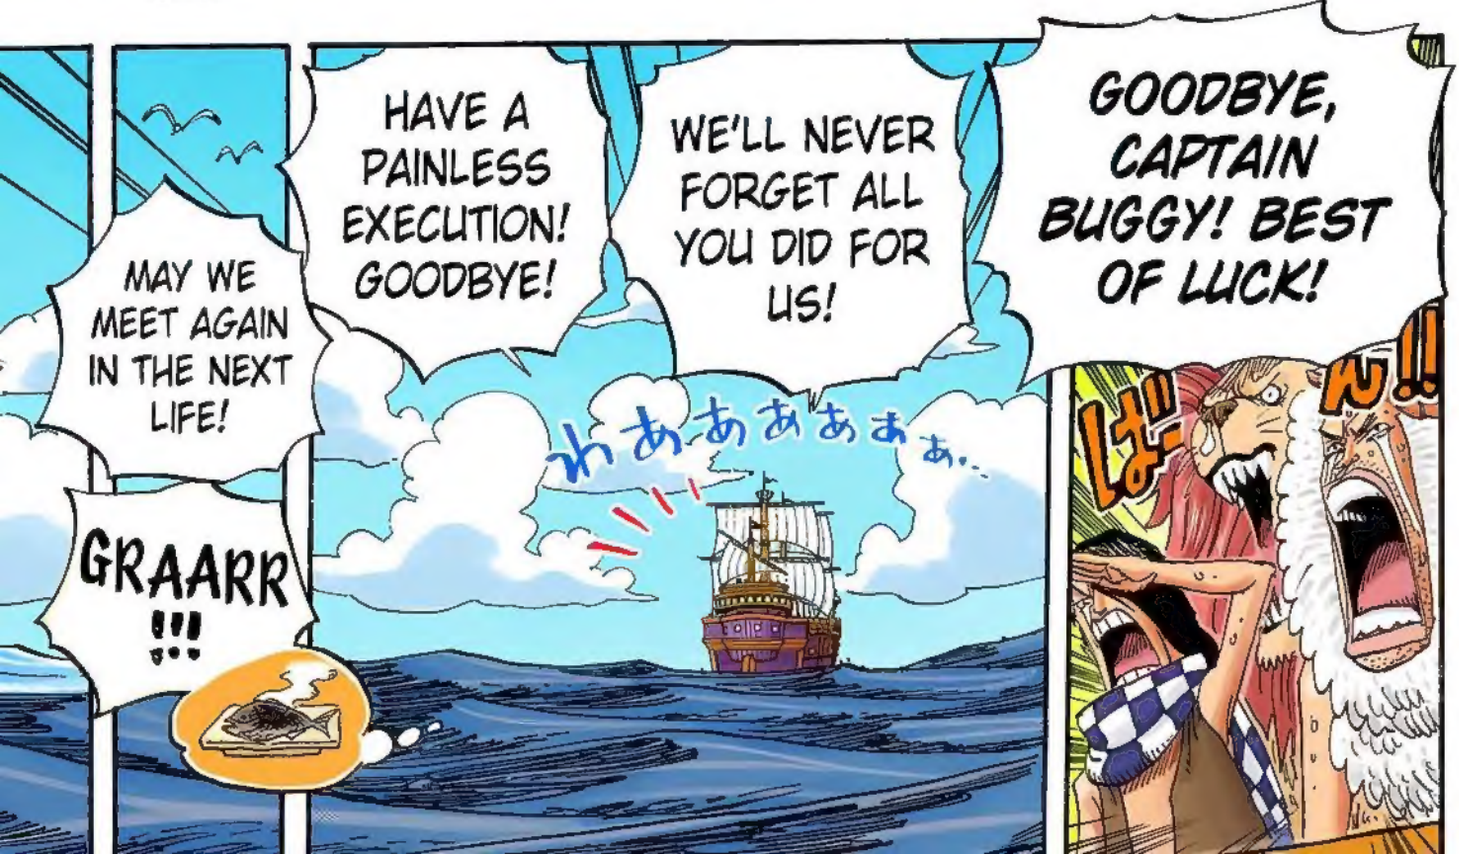
YOU CAN GO ON FROM HERE IN A DINGHY.
WHAT?! BUT THIS IS CAPTAIN BUGGY'S SHIP!
THEN YOU'RE ON YOUR OWN.
I'M TAKING THIS SHIP, BIG TOP.



IF YOU WANT TO SAVE BUGGY, YOU CAN DO IT IN A LIFEBOAT.
I'M NOT SAILING INTO CERTAIN DEATH, AND I WON'T LET YOU THROW AWAY THIS SHIP EITHER.
OH, YEAH.
WELL, BUGGY ISN'T HERE NOW, IS HE?
BUT YOU'LL ALL BE DEAD BEFORE YOU EVER EVEN SEE IMPEL DOWN.
ブォン!!



MAY WE MEET AGAIN IN THE NEXT LIFE!
HAVE A PAINLESS EXECUTION! GOODBYE!

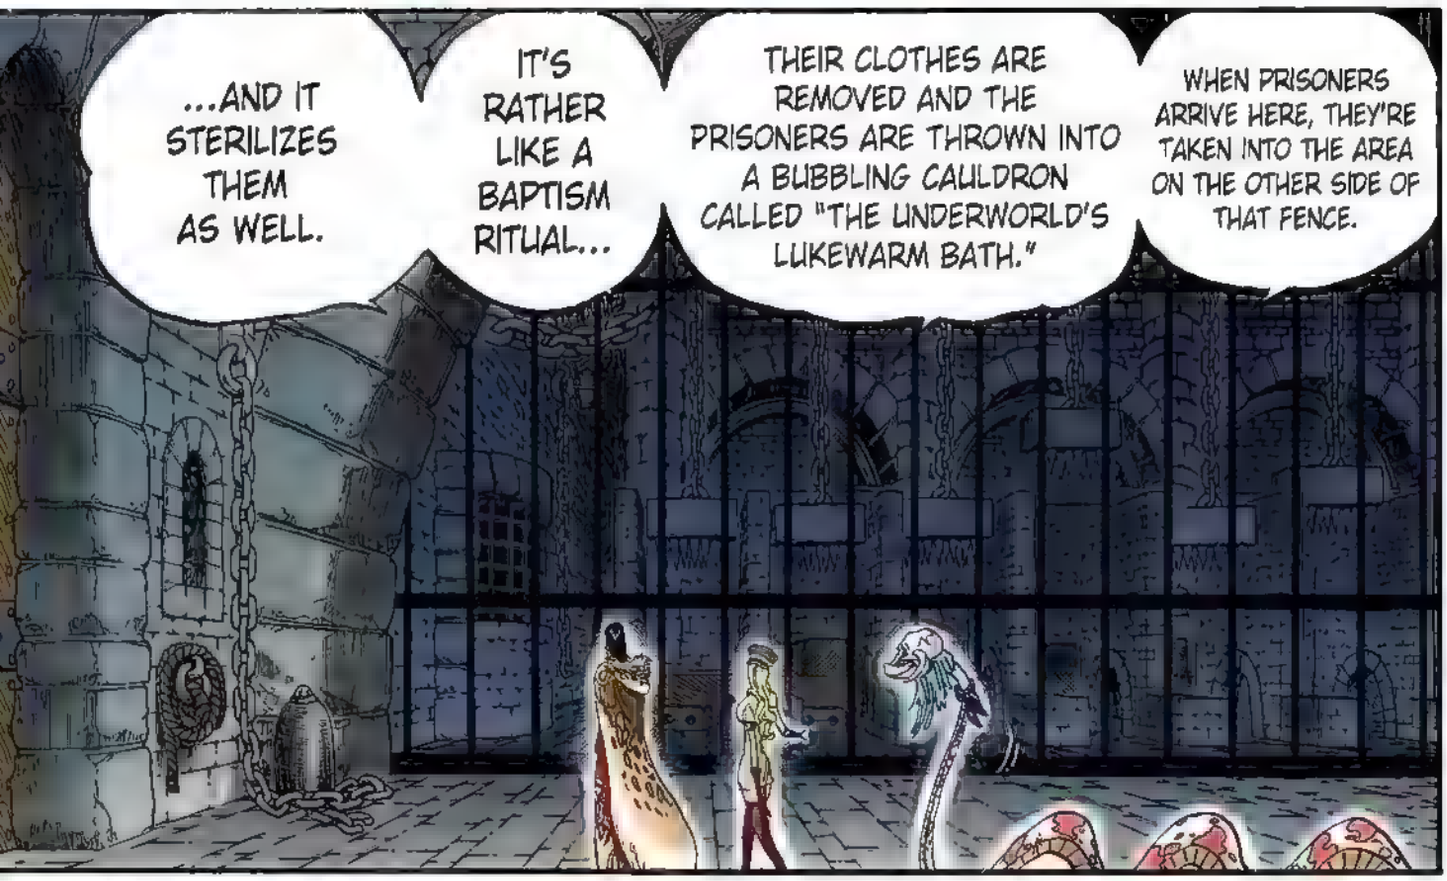
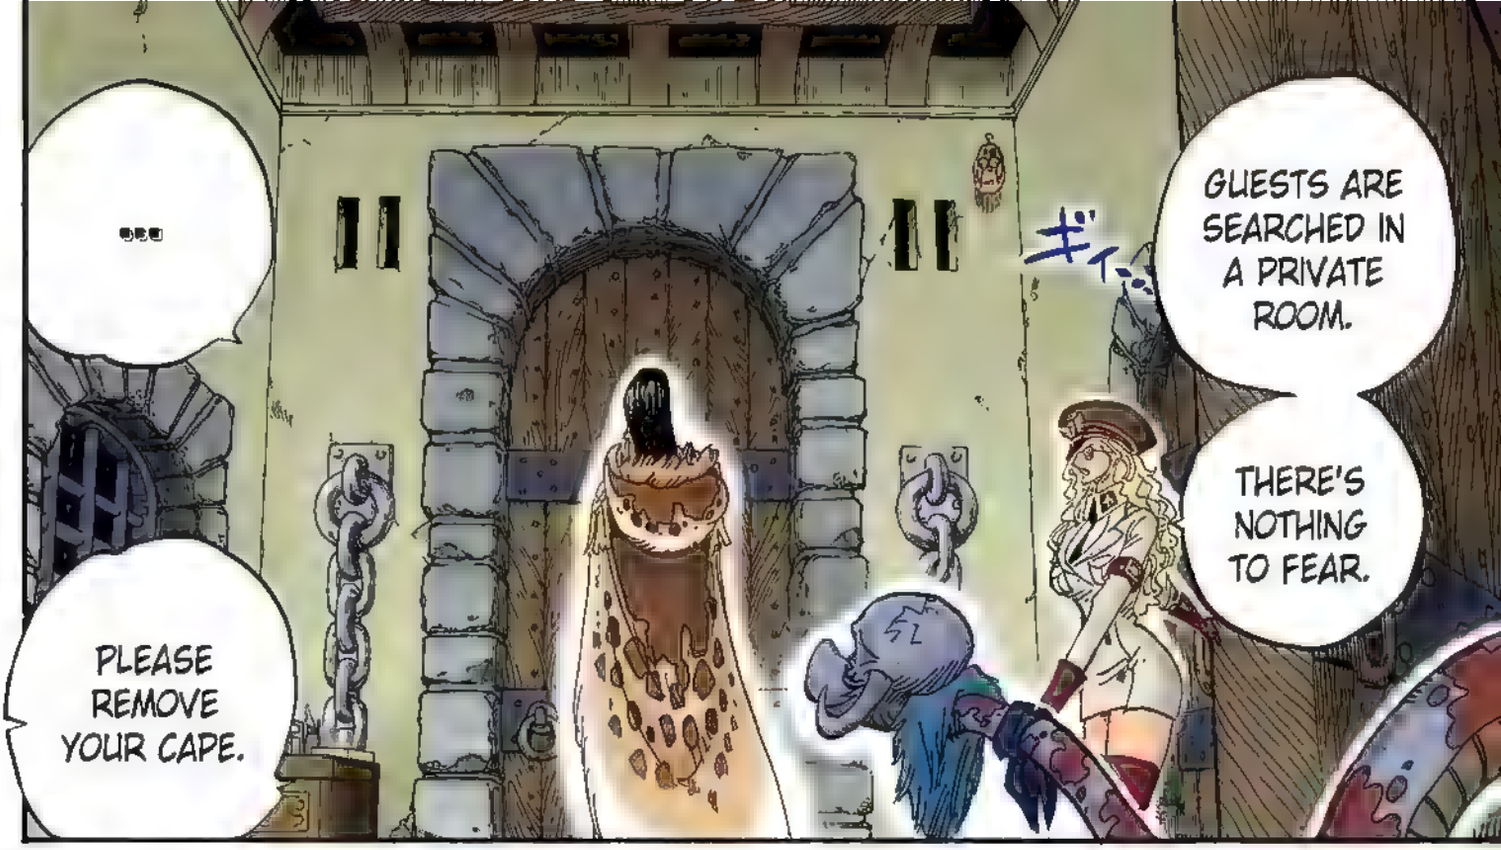
EXCUSE ME, VICE ADMIRAL, BUT YOU'LL HAVE TO GO INTO THAT ROOM AND BE SEARCHED.
THAT IDIOT WARDEN, CHIEF MAGELLAN, IS IN HIS OFFICE ON LEVEL 4. WE'LL TAKE YOU TO HIM!
VICE HEAD JAILER DOMINO AND I WILL ESCORT YOU THERE!



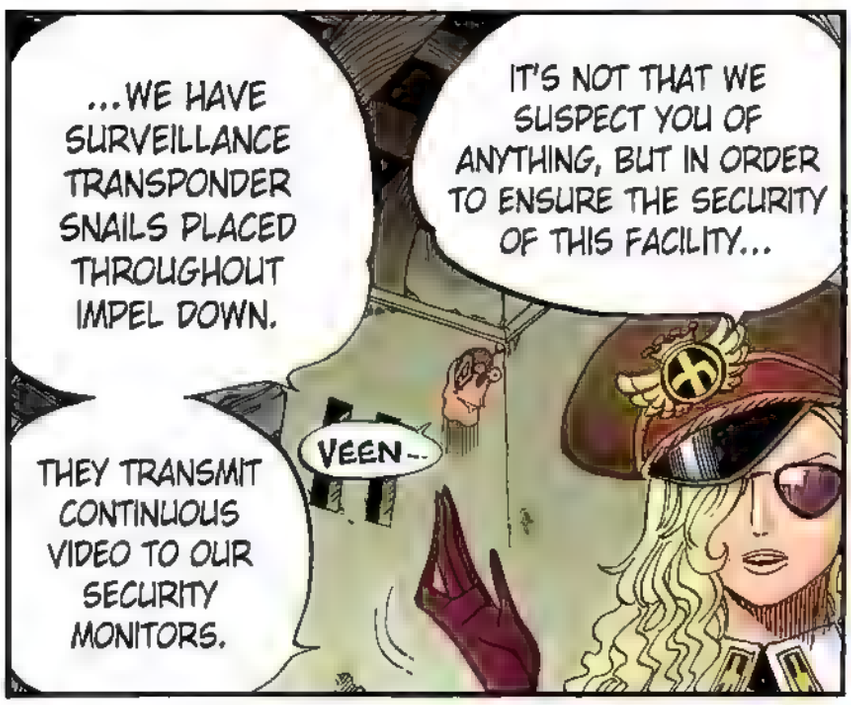
...AND IT STERILIZES THEM AS WELL.
IT'S RATHER LIKE A BAPTISM RITUAL...
THEIR CLOTHES ARE REMOVED AND THE PRISONERS ARE THROWN INTO A BUBBLING CAULDRON CALLED "THE UNDERWORLD'S LUKEWARM BATH."
WHEN PRISONERS ARRIVE HERE, THEY'RE TAKEN INTO THE AREA ON THE OTHER SIDE OF THAT FENCE.

...AND THE FORMER WARLORD, CROCODILE.
...
SOME RECENT ARRIVALS INCLUDE "FIRE FIST" ACE...
THEY'RE JUST A FEW WHO'VE UNDERGONE OUR BAPTISM RITUAL WITHOUT BATTING AN EYELID. MOST ADMIRABLE.
...JIMBEI, ONE OF THE SEVEN WARLORDS OF THE SEA...

OF COURSE, THERE ARE MANY DIFFERENT CLASSES OF CRIMINALS.



PLEASE REMOVE YOUR CAPE.
GUESTS ARE SEARCHED IN A PRIVATE ROOM.
THERE'S NOTHING TO FEAR.



...WE HAVE SURVEILLANCE TRANSPONDER SNAILS PLACED THROUGHOUT IMPEL DOWN.
IT'S NOT THAT WE SUSPECT YOU OF ANYTHING, BUT IN ORDER TO ENSURE THE SECURITY OF THIS FACILITY...
THEY TRANSMIT CONTINUOUS VIDEO TO OUR SECURITY MONITORS.

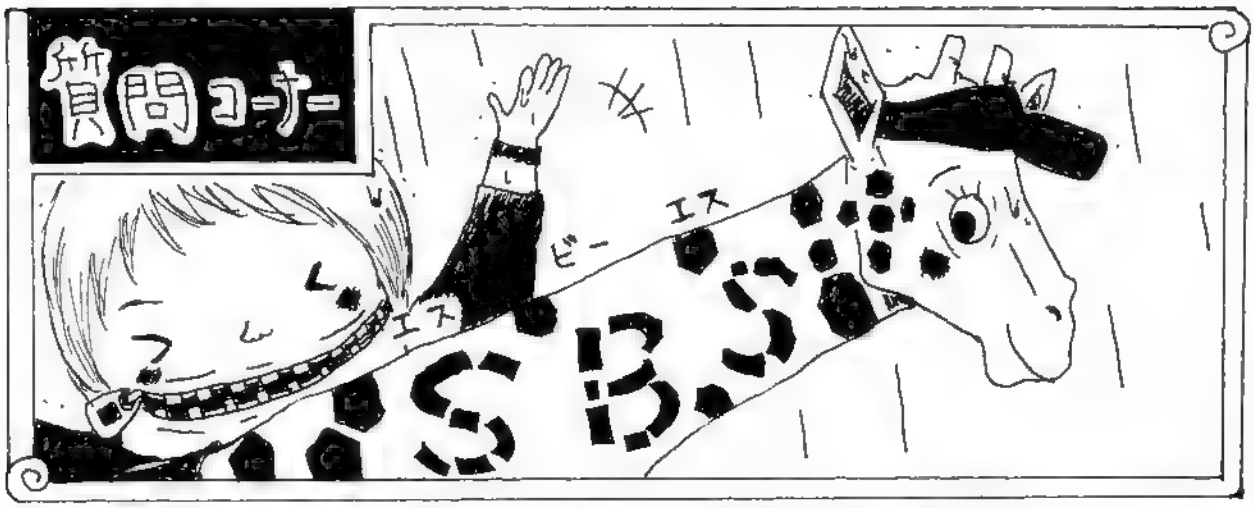
SBS Question Corner

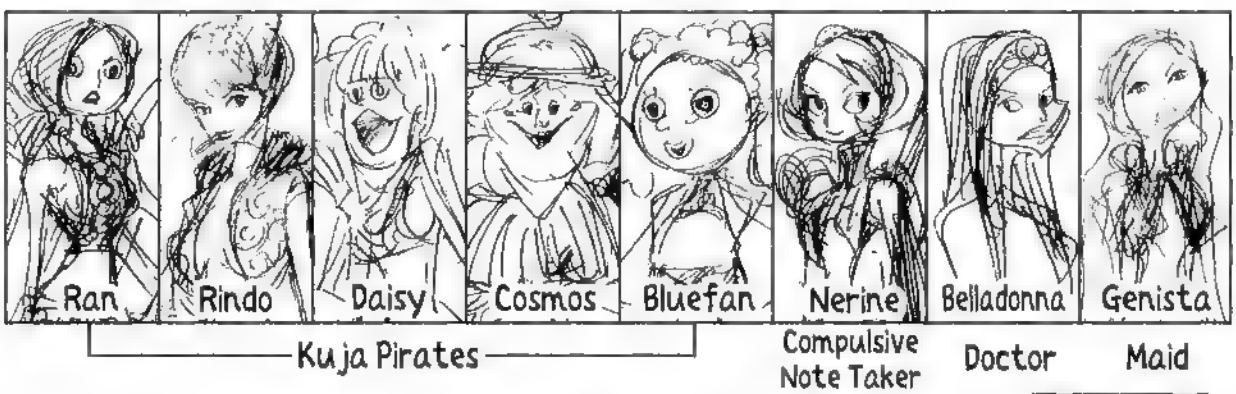


(Yuki, Iwate)

Q: I'm in love with the Snake Princess and all of the Kuja Girls!♡ I'm especially in love with that lady with the cigarette that's wearing only a jacket on top of her bare skin! It seems that the names of the characters of Kuja haven't been shown anywhere. (like the girl taking notes or the members of the Kuja pirates) Please tell me their names!

--Ice Fish

A: They're called the Kuja Girls now? That sounds really nice. They do have names, but I just haven't shown them. I went through my sketchbook and picked them out from there. Go ahead and take a look if you're that interested.



Q: Oda… If you ate the Clear Clear Fruit, what would you do?

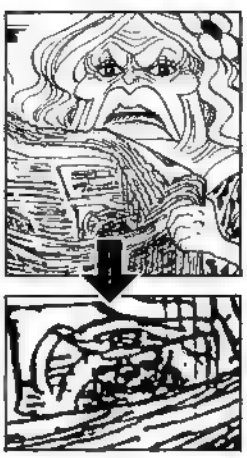
--Lumberjack

A: Heh!♡ Heh heh…♡ Whoops! Moving on.

Good morning afternoon evening night! Hey, Odacchi!

Q: In volume 53, page 193, third panel, I saw Buggy on the newspaper that Grandma Nyon was reading. Did he finally get captured? What happened here?

--Okoge Riceball



A: Man, nothing gets past these readers… You're right. I did, in fact, draw Buggy. You'll find out why he's on the newspaper when you read this volume! Buggy got caught! He got caught by entering a navy garrison that he thought was a cave with Captain John's treasure. That's what the article says.

Introducing "One Piece Web"!

Q: Hello, Mr. Oda. This is the first time I've written a letter to you. I always enjoy reading *One Piece*. In a Question Corner in volume 53, you wrote that you wanted to wrap up *One Piece*, so I quickly decided to send this letter to you. Please don't say that. Please don't apologize for making us spend money! I know this is part of the Question Corner, but I don't have a question.

--Smoke

A: You don't?!3 Anyway, I was surprised to receive lots of letters about what I said in volume 53. I really didn't mean anything significant when I said that! There is an "ideal length of a serialization" I believe, and it's "something that all readers can easily buy." This might be me being selfish as a storywriter, but the "Straw Hat Pirates" are now nine members strong. In the beginning, Luffy went out to sea alone! So readers that read it from the middle don't even know that. I want people to understand what kind of adventures happened or how they got the new crewmembers! But I can't tell them to buy all 50 volumes! I know exactly how small kids' allowances are! That's why I made a lot of summary books that wrap up past stories. Every single time one is released, I asked the publishers to make it as cheap as possible. The two companies, Caramel Mama and Partyware, both did it for me! It's too cheap! Free, in fact! Awesome job! The Japanese website "One Piece Web" has been made! It's a story guide for the entire comic and it'll explain everything that happened in the past! For all the kids that can't buy the books, just read it here! Check it out now! (To the adults, please go buy the books) My earlier statement was just from that. It's not that I'm tired of drawing or anything. What I want to do hasn't changed at all. It's where all sorts of stories come together and "the final chapter is the most fun." The story of One Piece is still in the middle. If you have time, I hope you can read the whole thing through. I'm still challenging myself to create stories that no one has ever read before! Now go check out the website!

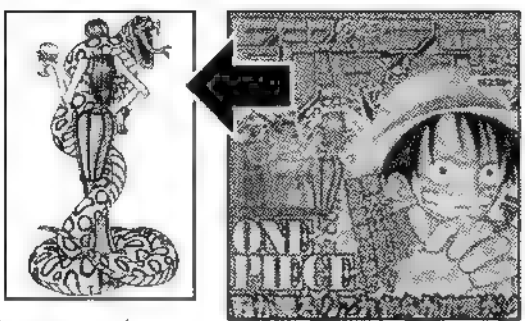
SBS Question Corner

(Park won-Yong, Korea)

Q: Mr. Oda, Boa Hancock came out on the cover of *Jump* nine years ago! That really surprised me. Is this really her? Please tell me.

--PX-10000



A: I'm the one who's surprised! People on the internet noticed this but I completely forgot about it. This picture was in the illustration collection, *Color Walk 2*, but during that time, the crew had just entered the Grand Line. The editors told me to draw the back view of the "enemies that will come." I drew about four, and I remember that Hancock was one of them. When I actually did bring her out in the comic, a lot about her is different, but that design is indeed Warlord Boa Hancock that I thought of nine years ago.

Q: Red light. Green light! I got you! Moss Ball! --Nashi

A: Haha! Zolo got caught! Neener neener neener! Okay.

Q: Hello, Odacchi. I am writing this letter from Liguria. (Liguria is a region of Italy, not Water Seven) I want to know the connections the two agents that went to Ohara with Spandine have with the current CP9 agents. I get the feeling that the guy with the glasses is Kalifa's father. Thank you for making Robin!

--Dario

A: Kalifa's dad! You're absolutely right. I didn't give out any hints at all about it. I told my editor at the time about it, but this person (➡) is actually Kalifa's father. Most of the CP9 members are orphans that have been trained by the government, but we thought it might be interesting if among those children are some who belong to a long bloodline of agents. Kumadori's mom isn't one of them, by the way.

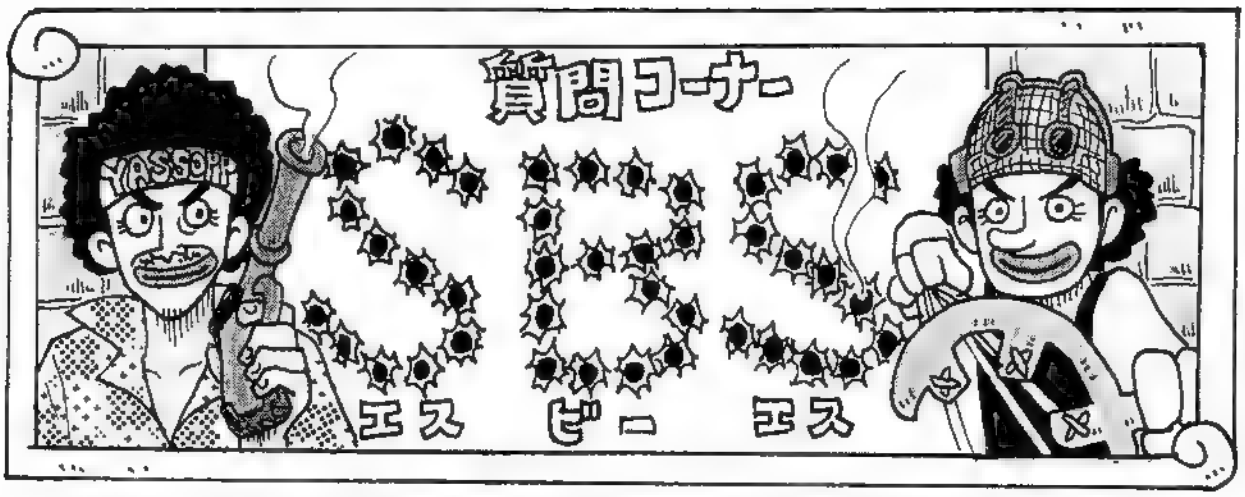
SBS Question Corner



(Skeleton Yukichi, Iwate)

Q: Hello, Mr. Oda. I just made a discovery about Nami's fighting technique during her battle with Kalifa. Do you remember "Mirage Tempo, Fata Morgana?" According to a book, it said something about the end of the famous witch Morgana. Isn't it something about the mirages that appear in the waters off of Italy? I don't really understand, so please explain. --Rail

A: Yes. There are lots of theories about this. Mirages that are seen near Sicily, Italy, are called "Fata Morgana," as in the fairy of illusion. In European legend, there is a witch called Morgana. I don't really know the details either, but you said the book calls it the end of the witch. I've read somewhere that the mirages are caused by Morgana, but either way, the local people who saw the "mirages" blamed them on the doings of the witch.

Q: I became the mother of "Sanji"! (Sanji = three children in Japanese)

--Mother of Three

A: Oh. Congratulations.

Q: Make Hancock's birthday September 2, please. Since September is the 9th month (9 ="Ku" in Japanese) and 2 sounds like "Ja" in Japanese!

--Sun

A: Sure.

Q: Please choose Shanks's birthday already! "Sha" sounds like "3" and "ks" sounds like "9" in Japanese, so make it March 9!3 Please, Odacchi! Decide it now! Please! --Pudding

A: Sure. Whatever. Okay, this is the end of the Question Corner. Starting on page 166 is the Question Corner of the voice actors! This is a weird way to end this!3

VOICE ACTRESS FOR NAMI, AKEMI OKAMURA!

(Tomofumi Kawakami, Tottori)

HDYD?! (How do you do?) This is now the third Question Corner for the voice actors! It always ends up being a really nice read, but all the other voice actors complain because they'll have to top the previous Question Corner! Now then. Today we have the voice actor for the navigator, Nami! Let me say this first to the readers. You're sending in way too many perverted questions! Can you be a little more considerate since I have to go through them?! Okay, let's go on! Our wonderful lady Akemi Okamura is in the house!

Oda(O): Here is Okamura! Please gracefully introduce yourself!

Akemi(A): Hello. This is Akemi Okamura, always with a smile.

O: Good intro! Yes, I love it when you guys take this seriously. By the way, do you know what SBS stands for? I'm hoping for a cute answer.

A: Sure thing. (S)tupidity (B)ashed (S)illy.♡

O: That's scary! I introduced you as a sweet lady! Are you going to disappoint all the readers who are young boys?!

A: Oh, that wasn't good? Okay, one more time then. (S)illy (B)oys (S)lapped.♡

O: You're still going to beat them, aren't you?! Whatever! Okay, let's just start this.

A: Sure thing.♡

The Question Corner with Okamura continued on page 206! ☞

PREVIEW FOR NEXT VOICE ACTOR'S SBS

Next time and the one after that will be with these two!

Usopp (Kappei Yamaguchi)

Sanji (Hiroaki Hirata)

These two are veteran voice actors, and you know exactly how they are!

SBS Question Corner

OUR NAVIGATOR, AKEMI OKAMURA!

(Shimauma, Ehime)

Reader(R): I have a question for Ms. Akemi!♪ Nami is always taking good care of her tangerine trees, but do you like tangerines too?

--Kaorin

Akemi(A): I love them.♡ I sit in my warm kotatsu table and eat them all winter.

R: I have a question! What's your type? Who would you like to go out with among the crew members of the Straw Hats?

--TMT

From volume 33, Gargon

A: All of them combined. The thing called Gargon. ➡

R: Has there even been an…embarrassing line you had to say? If so, which one?

--Windy

A: In the script, the captain (Mayumi Tanaka) rewrote my line that says "Thunderbolt--Tempo." The "te" part in "Tempo" was rewritten with a "chi." That was so embarrassing when I screamed it out! [Note: replacing the "te" with the "chi" turns the word "tempo" into the word for male parts.]

R: To Akemi Okamura on the Question Corner.

May I look at your underwear? --Corbuckle

A: No!

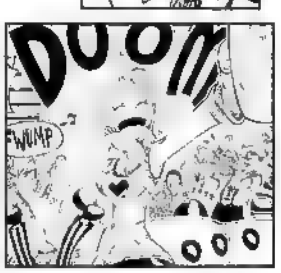
R: I always go on spending sprees. Can you give me some advice? In the voice of Nami, please.

--Hiromu

A: I'll lend you money.♡ Only 30 percent interest!♪

R: What does it mean to believe?

--Umeboshi Chazuke



A: Beats me!)ﾍ

R: Hello! My friend told me of the time he saw you on stage at Jump Festa. During that event, you said that you always go drinking after recording. If that's true, does that mean you hold your alcohol well? Like Nami?

--Aino

A: We often go out to party with the cast and staff of *One Piece*. We don't just go drinking. It's a party!♥

R: Hello, Okamura! I have a question. In the previous Question Corner and the one before that, Tanaka and Nakai both said that they go for "realism" when they do their acts. Do you do the same? If you do, how did you go about doing it during the "Happiness Punch" part…? Ahem. Never mind. Forget I said that.

--Nami Fan Club Member No. 73

A: Of course I go for "realism," too! On that day, I didn't wear my underwea... What are you making me say?!

R: I have a question for Nami on the Question Corner. Nami often smacks the other crew members, but do you actually do it to the other voice actors? For realism? Also, why don't you smack Chopper too much? Because he's cute?

--Raccoon Dog

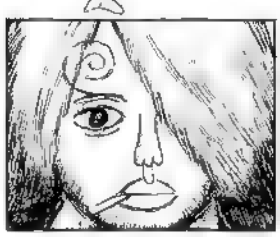
A: Of course I go for realism too! Chopper is played by someone who's a much higher senior member of the agency! (Behind-the-scenes circumstances♡)

R: Please draw a picture of your character! (Don't use any reference materials!☆)

A: ➡

--Tokoyan

R: I have a question for Nami (Akemi Okamura). Nami always acts uninterested, but does she actually like gentlemen characters like Sanji?



--Blonde Winding Eyebrows Thick-Lips

A: What? Sanji? A gentleman? I thought he was a cook.

R: During Thriller Bark, Nami was the only one who wasn't hit by the Negative Hollow. All right! Have the same be done to you like Nakai! "Take this! Negative Hollow!"

--Mayonnaise Black

A: Ugh... I'm sorry I'm so beautiful...

Oda: That's not negative! Okay. It's time, Okamura. The last question is a bit dangerous, so just brush it off.

R: Hello, Okamura. I often watch *One Piece* with my family members. So here's my question. If you were to take a trip, where would you want to go? (In Kuma's voice) Pop!

--Sou-kun

A: Noooo! (Somewhere warm, has a beach, has great food, has a pretty sky, has a hot spring, and a place where I can relax!)

Oda: You have way too many requests! Oh, there she goes. Goodbye, Okamura. And thank you! Now then! Look forward to the next Voice Actor Question Corner!

人は本来、140歳まで
生きられるんだそうです。
そこから体に負担をかけた分だけ
寿命は縮んでいくんだって。
漫画家はどんどん命を削っていってるから、
僕はどーせ135くらいまでしか
生きられないんだろうな(しょんぼり)。
人生って儚いよね。
54巻!! 始まるよー!!

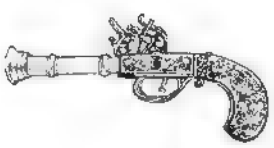
I hear that yawning is the body's way of saying it wants oxygen. I think the reason yawns are so contagious is that whenever one person yawns, the oxygen on the face of the earth decreases significantly. It's the law of conservation of mass. Speaking of which, one time I did such a big yawn that the space shuttle, that dream of mankind, went up into space. Well, that's only half true. Time for volume 55!

-Eiichiro Oda, 2009



Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

SBS Question Corner

(Kan of Taiwan)

Reader (Q): Hello, Odacchi! I wanted to write you a letter so here it is!

--Koeda, Hyogo Prefecture

Oda (A): Right. Thank you. Moving on.

Q: I spotted Captain T-Bone on page 42, panel 6, of volume 54. But how did he survive his battle with Zolo?

--Manticore, Age 16

A: Wow! You're right. That's him all right. That's definitely Captain T-Bone who lost the fight in the Water Seven story arc. He must've done something really desperate to survive. Yeah, that must be it.

Q: Godfather! I have a question! In volume 52, chapter 508, page 110, Capone's stomach opens up and starts playing a tune. I can't get it out of my head that it's the song they used to play in *Ultraman* whenever the Space Patrol would fly out of the base in their fighter jet.

--From: I used to watch it on video back then

A: Ah-hah! I see. Well, I've received similar letters from a lot of people, so if so many people say it, I guess it must be right. I did have a tune playing in my head when I wrote it. I knew it was from my childhood, but I couldn't remember exactly where it was from. Ha ha! By the way, I used the same tune when the Groggy Monsters appeared in volume 33.

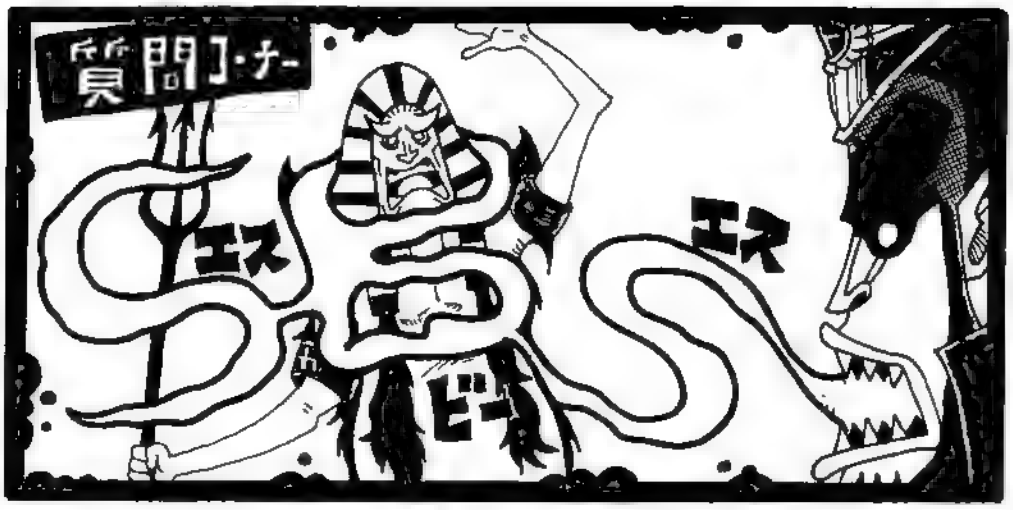
SBS Question Corner



(Shoji Omori, Kanagawa)

Q: Mr. Oda! The other day I saw on the news that you can make electricity with a cola drink! It's called a "bio battery"! When I saw this, the first thing I thought of was Franky and Sunny! Now that one of your ideas has become a reality, what do you think will be next?

--Gako Mini-Bear (Age 31)

A: Really? You can make electricity with cola? Hey! W-well... I knew about that! Yeah! Let's see, the next thing to become a reality? How about the sea train? I wish I could ride that.

Q: Have the CP9 ever messed up the Finger Pistol and jammed their fingers? I have.

--Ussa-man

A: What are you doing?! Stop that! I'm sure the CP9 members sometimes jammed their fingers when they were still in training. Don't try it at home, kids! The PTA is on my case all the time as it is!

Q: Hello. I'd just like to say that my whole family is hooked on *One Piece*. And now for the matter at hand... When Luffy got sent to the Island of Women in volume 53, I saw this. (➡) It was in the third panel on page 101, the second panel on page 140, the first panel on page 153, etc. What are these Panda Man-like creatures?

--Yutaka

A: So you found them. It's not Panda Man because the Island of Women is forbidden to any man. It's Panda Woman! Panda Man loves her. But I'm not quite sure his love is reciprocated.

HE'S A PRISONER FROM LEVEL 3. IT'S ONLY A MATTER OF TIME BEFORE WE RECAPTURE HIM.
ENOUGH EXCUSES. DID HE HEAD TO THE UPPER FLOORS THEN?
I WAS CAUGHT COMPLETELY OFF GUARD.
WE WERE ATTACKED BY A FREAK WHO KNEW KARATE.

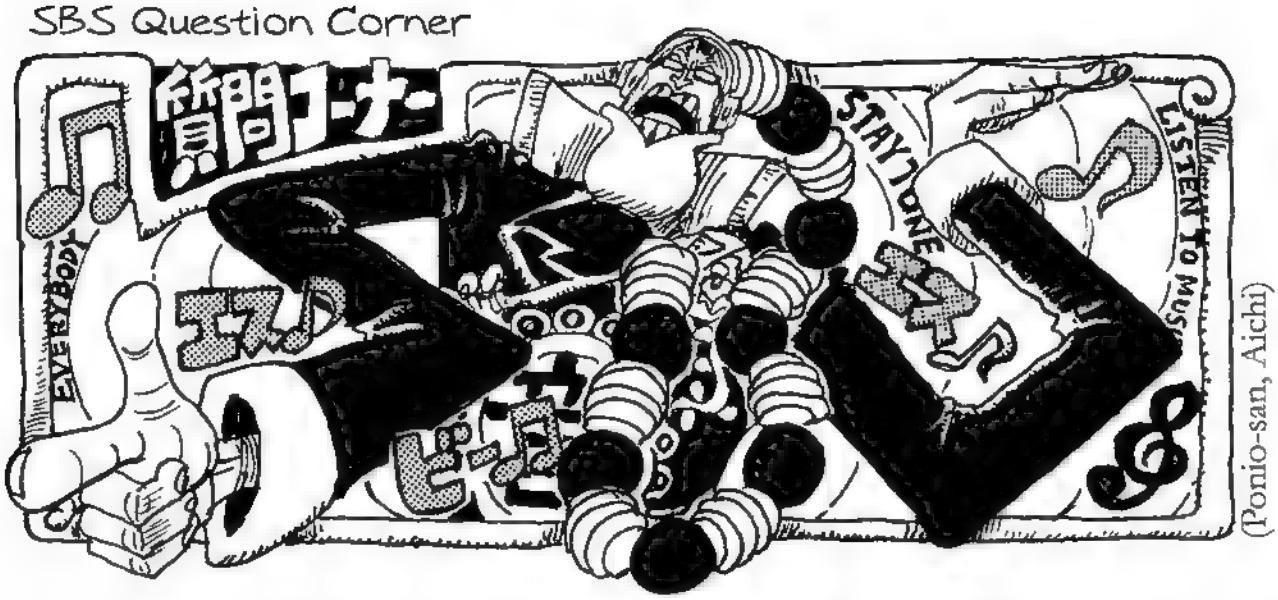
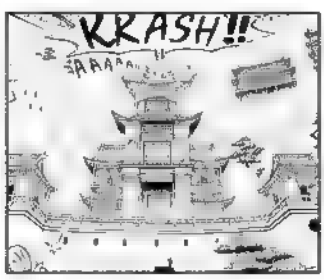
SBS Question Corner



(Ponio-san, Aichi)

Q: Hello, pleased to meet you! We are the Panda Pirates, the biggest band of pirates in all of China. We've recruited people from all over the world via the Internet. We recently reached 40,000 members! (What?! You're not surprised because China's so big?! Oh, well…) My Question is: The buildings and scenery on the Island of Women look sort of Chinese. Was this intentional?



--Chang Xing Xiang, Panda Pirates

A: Yes, that's true of Amazon Lily. I did model it on China. In movies and stories Amazons often lack elegance, so I wanted this nation of women to inhabit a more cultured setting. And Chinese women are really sexy! I love those dresses! Sanji does too. By the way, this message arrived in a huge envelope labeled the "Panda Pirates." There was a list of members in the envelope. They turned out to be *One Piece* fans from all over the world. This made me really happy. I hope they'll all continue to enjoy *One Piece*.

Q: Mr. Oda, Chopper is so cute! I want him for a pet. What? No? Then make me Nami's pet!

--Shimizu Chamoroe

A: What are you talking about?! Hey! Sheriff! You showed up just in time! We have a weirdo here. Thank you! (siren) Hey! No, not me! Wait!!

Q: Odacchi!♡ Will you come tomorrow?

--KURI

A: Sure. Where?!

Chapter 536:

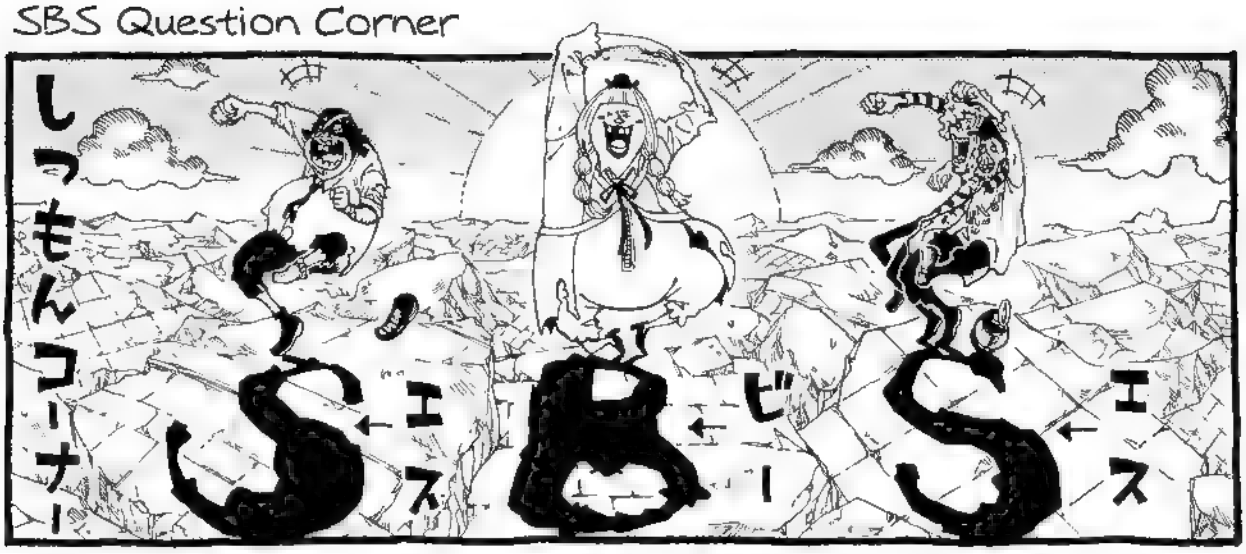
SBS Question Corner



(Ham Ster, Tokyo)

Q: Odacchi! It'll be okay!

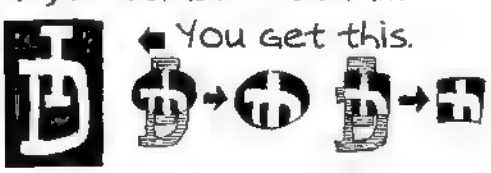
--Shuyu

A: Thanks. I may suck, but I'll keep trying.

Q: What's that mark that's on people like Magellan in Impel Down?

--Jonjororin

A: Toei Animation asked me about that too, but the symbols on the neck and the ones on the arm are slightly different. There are actually two variations, but they're based on the same thing. It's the initials of Impel Down, "I" and "D." If you combine them...



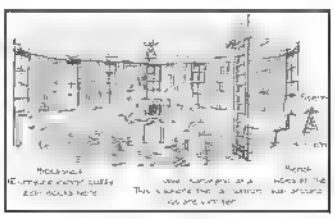
You get a different symbol depending on which part you cut out. Both of these symbols represent Impel Down. But they're not really very important.

Q: Hello, Mr. Oda! I stayed up three days and three nights to come up with this. Since your name is Eiichiro (ichi = 1, ro = sounds like 6 in Japanese), can we make your birthday January 6?

--Barcode

A: Sure.

Q: This chapter is called "I Have a Question for Odacchi!" There's a huge bookshelf inside the *Thousand Sunny!* But it says that everybody's books are there except Luffy's! Now on to the main point! I have no idea what kind of books a certain person reads, and that's…Zolo. What does he read? Call this chapter "Tell me!"



--Twisted Love ♡

A: You're right that Zolo doesn't seem to be the book-reading type. He doesn't really read books, he just looks at them--martial arts manuals, weapons listings, bounty lists, as well as other things. That's what he reads.

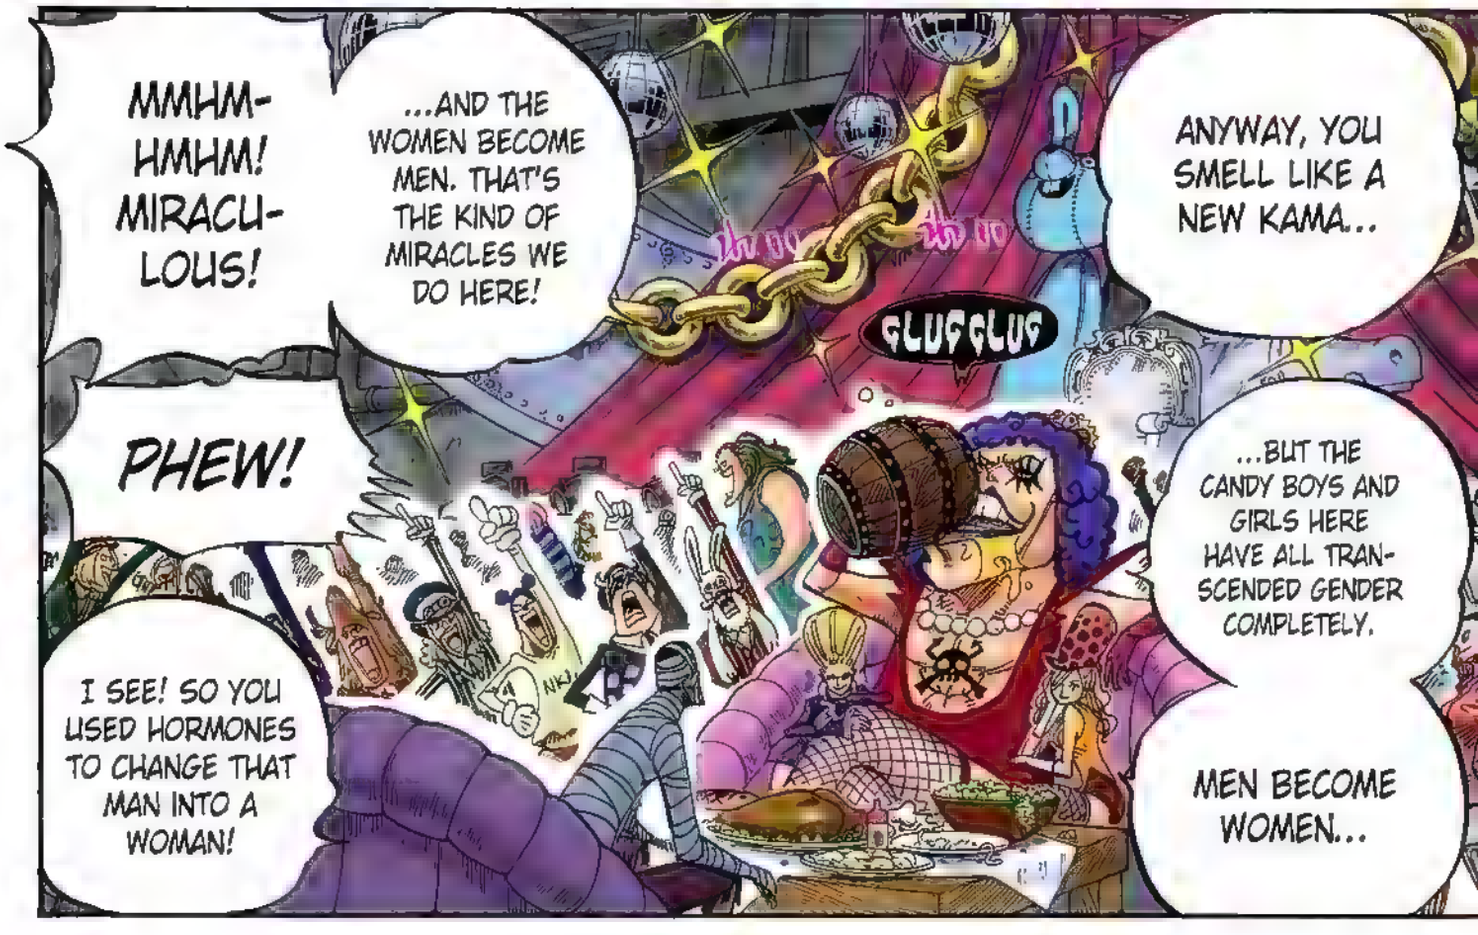
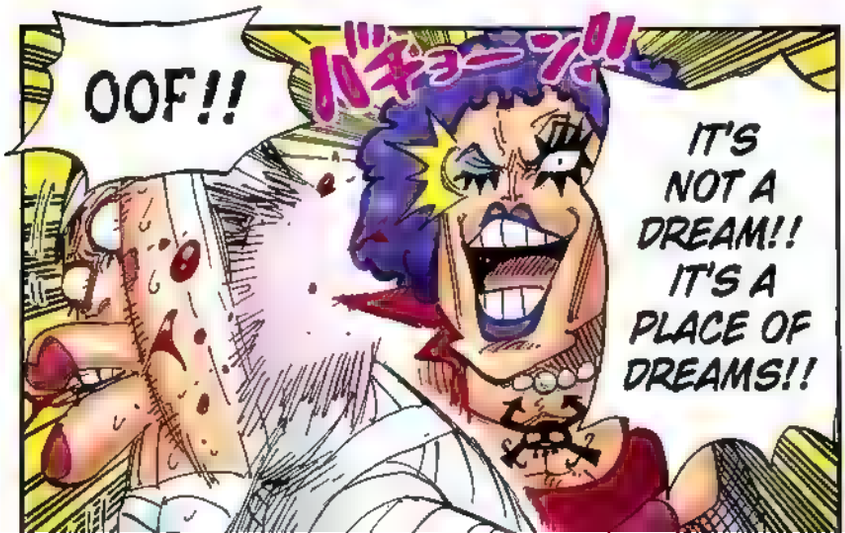
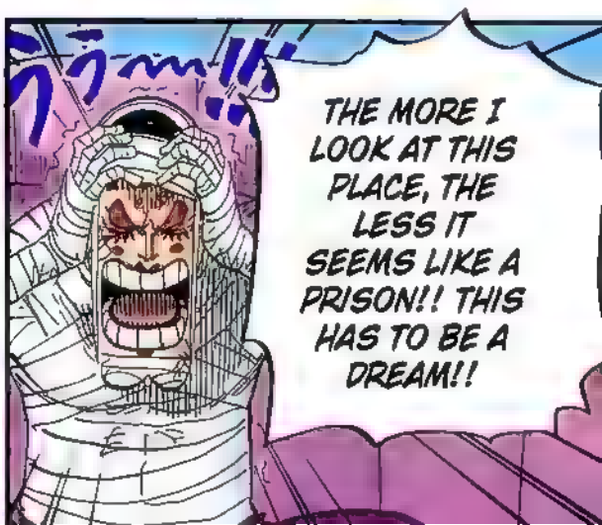
GENDER, BODY TEMPERATURE, PIGMENTATION, GROWTH, EXCITEMENT...
I AM AN ENGINEER OF THE HUMAN BODY WHO CAN ALTER PEOPLE FROM THE INSIDE.
IN SHORT, I ATE THE HORM-HORM FRUIT.
NOW I CAN FREELY MANIPULATE HORMONES AT WILL.
WIP



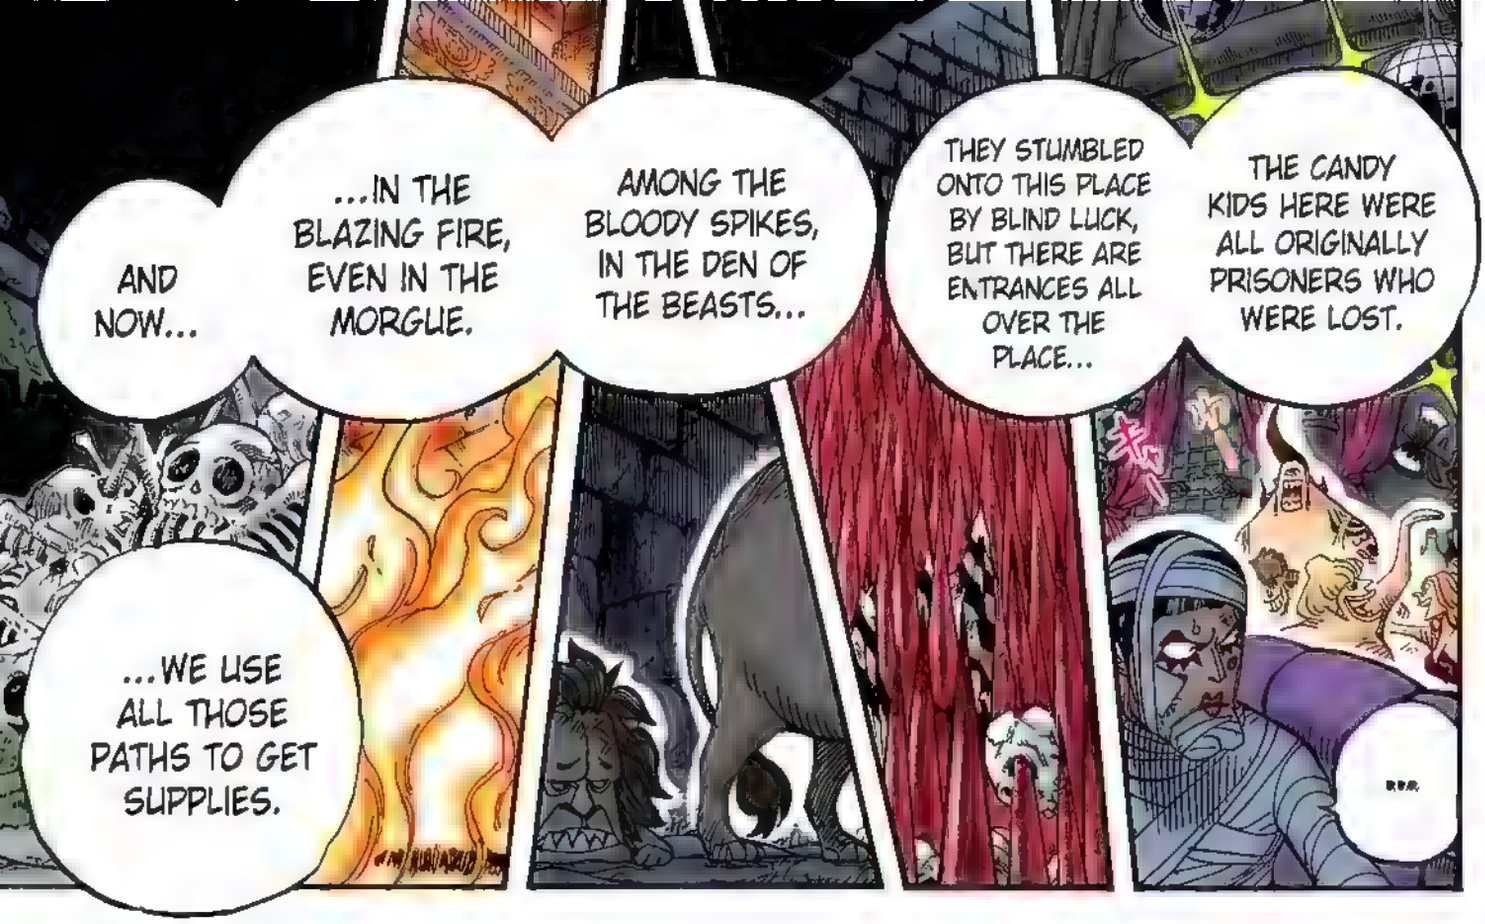
MMHM-HMHM! MIRACU-LOUS!
...AND THE WOMEN BECOME MEN. THAT'S THE KIND OF MIRACLES WE DO HERE!
ANYWAY, YOU SMELL LIKE A NEW KAMA...
GLUGGLUG
PHEW!
I SEE! SO YOU USED HORMONES TO CHANGE THAT MAN INTO A WOMAN!
...BUT THE CANDY BOYS AND GIRLS HERE HAVE ALL TRAN-SCENDED GENDER COMPLETELY.
MEN BECOME WOMEN...



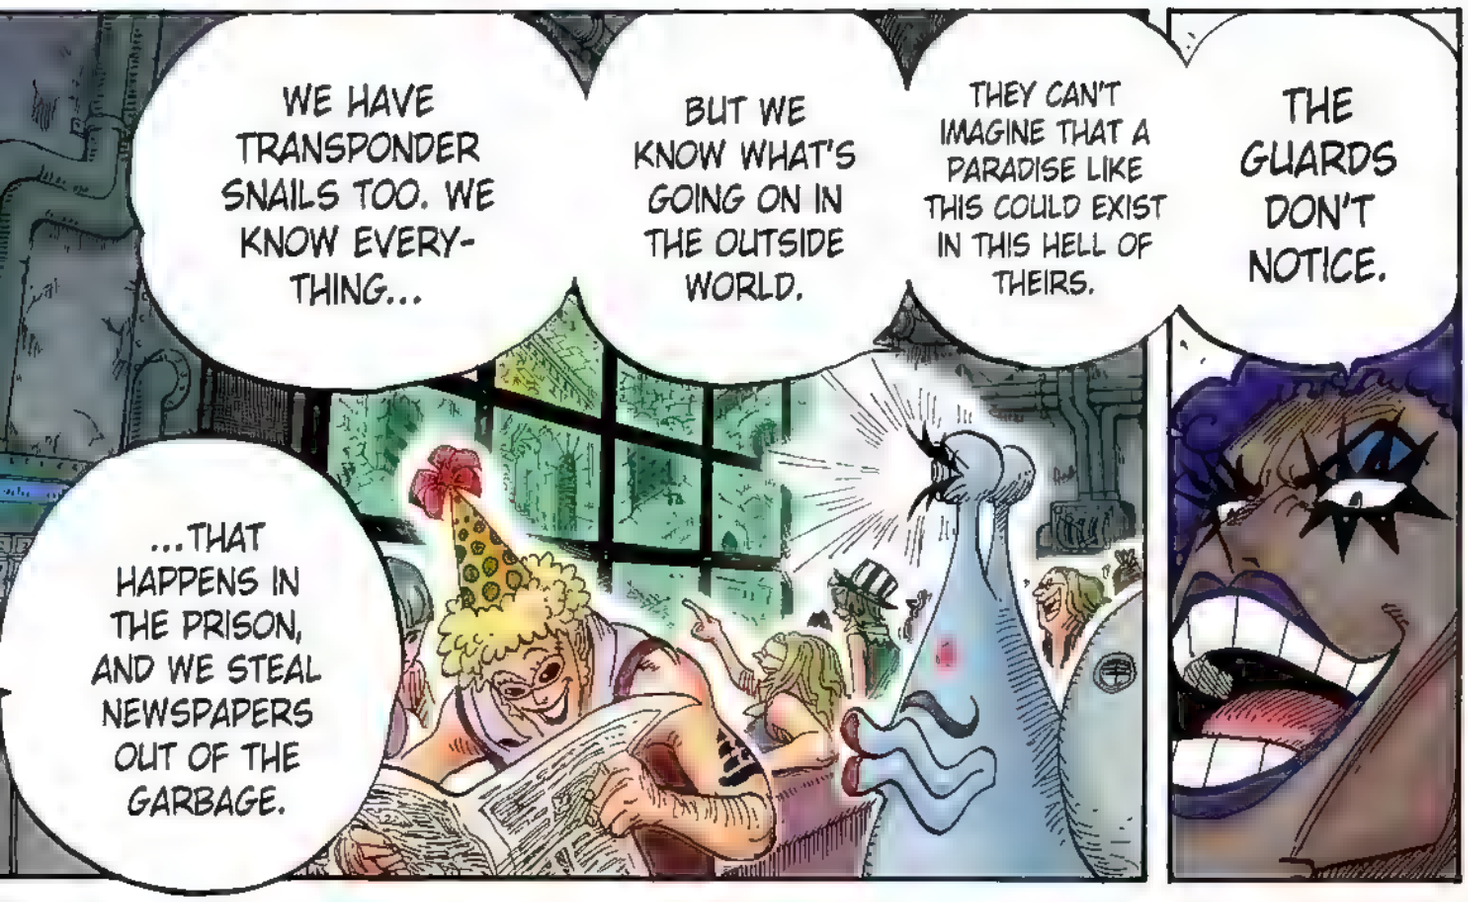
OOF!!
バキョーン!!
IT'S NOT A DREAM!! IT'S A PLACE OF DREAMS!!



うーん!!
THE MORE I LOOK AT THIS PLACE, THE LESS IT SEEMS LIKE A PRISON!! THIS HAS TO BE A DREAM!!



AND NOW...
...IN THE BLAZING FIRE, EVEN IN THE MORGUE.
AMONG THE BLOODY SPIKES, IN THE DEN OF THE BEASTS...
THEY STUMBLED ONTO THIS PLACE BY BLIND LUCK, BUT THERE ARE ENTRANCES ALL OVER THE PLACE...
THE CANDY KIDS HERE WERE ALL ORIGINALLY PRISONERS WHO WERE LOST.
...WE USE ALL THOSE PATHS TO GET SUPPLIES.
キン
...



WE HAVE TRANSPONDER SNAILS TOO. WE KNOW EVERY-THING...
BUT WE KNOW WHAT'S GOING ON IN THE OUTSIDE WORLD.
THEY CAN'T IMAGINE THAT A PARADISE LIKE THIS COULD EXIST IN THIS HELL OF THEIRS.
THE GUARDS DON'T NOTICE.
...THAT HAPPENS IN THE PRISON, AND WE STEAL NEWSPAPERS OUT OF THE GARBAGE.

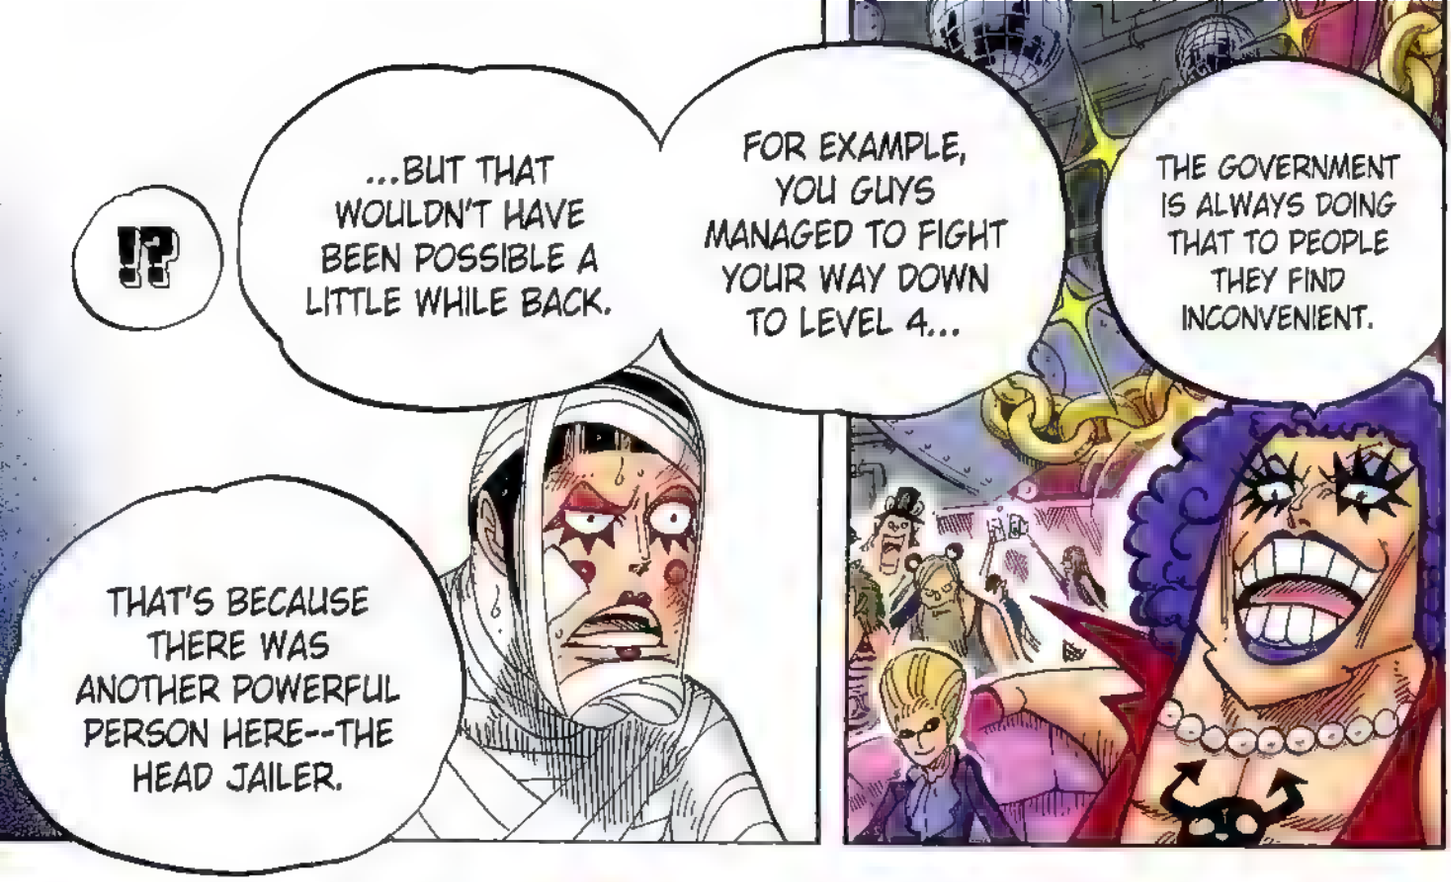
ウオオオオ
WE ALL ENJOYED IT!!
IT WAS THRILLING TO WATCH YOU AND STRAW HAT BOY ON THE RUN!

THIS WASN'T ALWAYS HERE.
A LONG TIME AGO ONE OF THE PRISONERS HAD A DEVIL FRUIT POWER THAT WAS GOOD FOR DIGGING.
WHERE IS THIS PLACE?
WHO BUILT IT?

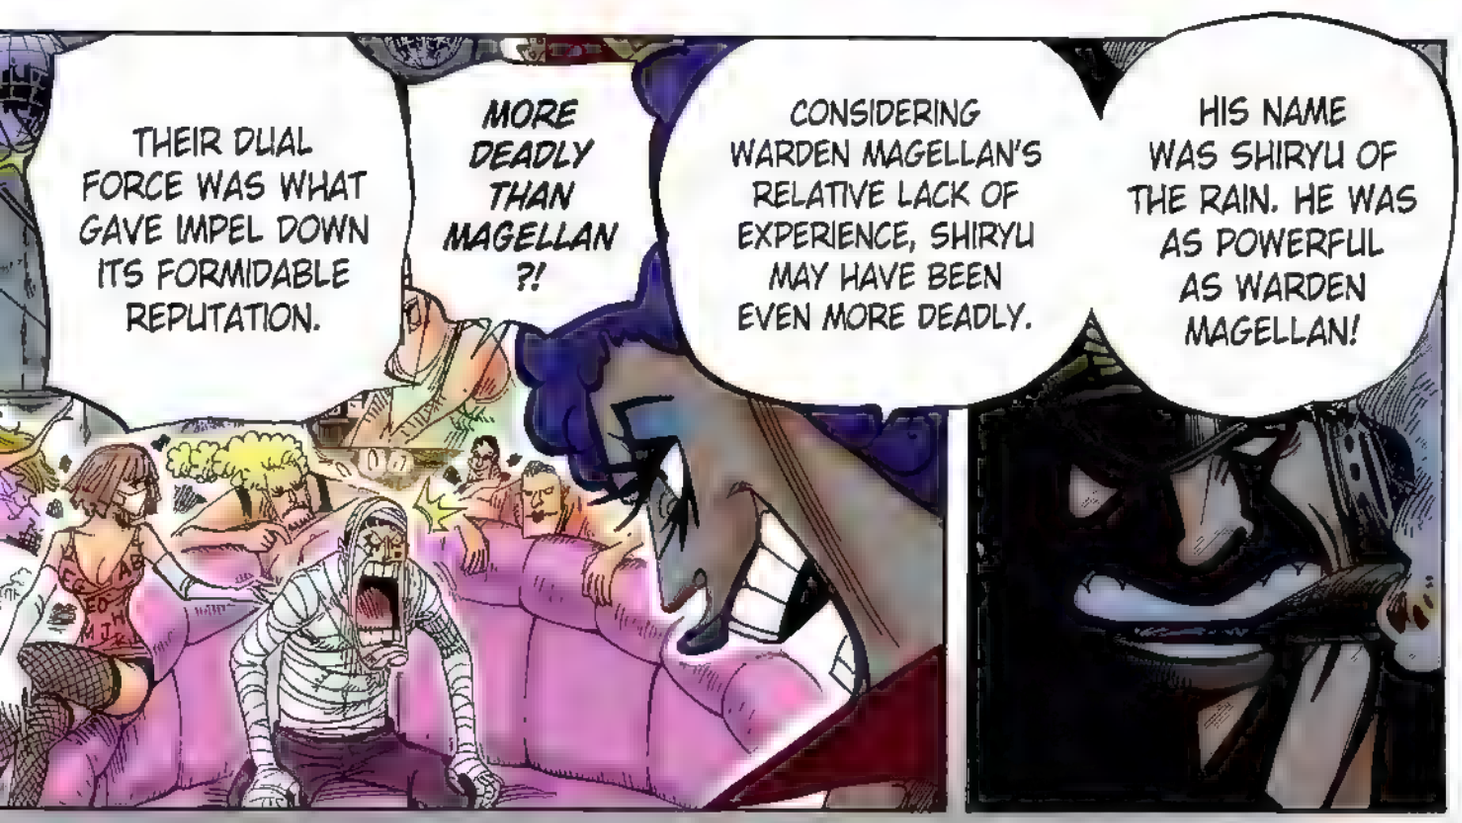
LEVEL 5
LEVEL 6
THIS PLACE IS LOCATED...
...SOMEWHERE BETWEEN LEVEL 5 AND LEVEL 6.
THAT CANDY BOY AND HIS FOLLOWERS CREATED THIS PARADISE OF PRISONERS.
IMPEL DOWN IS LIKE A GIANT ANT COLONY INSIDE A REALLY BIG ROCK.

THEY'VE ALL BEEN SENTENCED TO LIFE IMPRISONMENT OR DEATH! LEVEL 6 IS THE INFINITE HELL!
THAT'S WHERE THEY KEEP THE REALLY DANGEROUS PEOPLE!
!!
THE PRISONERS THERE COMMITTED DEEDS SO HEINOUS THAT THE GOVERNMENT HAS ERASED THEIR VERY EXISTENCES!

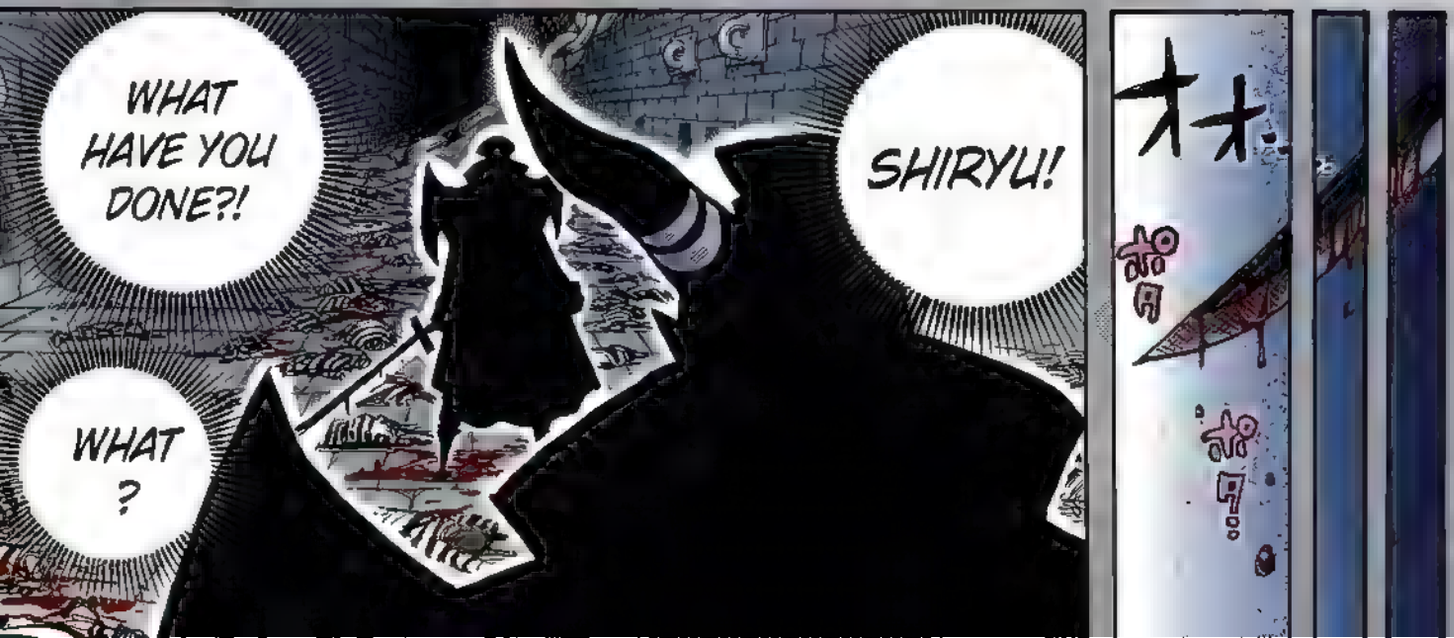
MMHMHM! I GUESS IT'S NOT WIDELY KNOWN.
WAIT! LEVEL 6? THERE'S A LEVEL 6?!



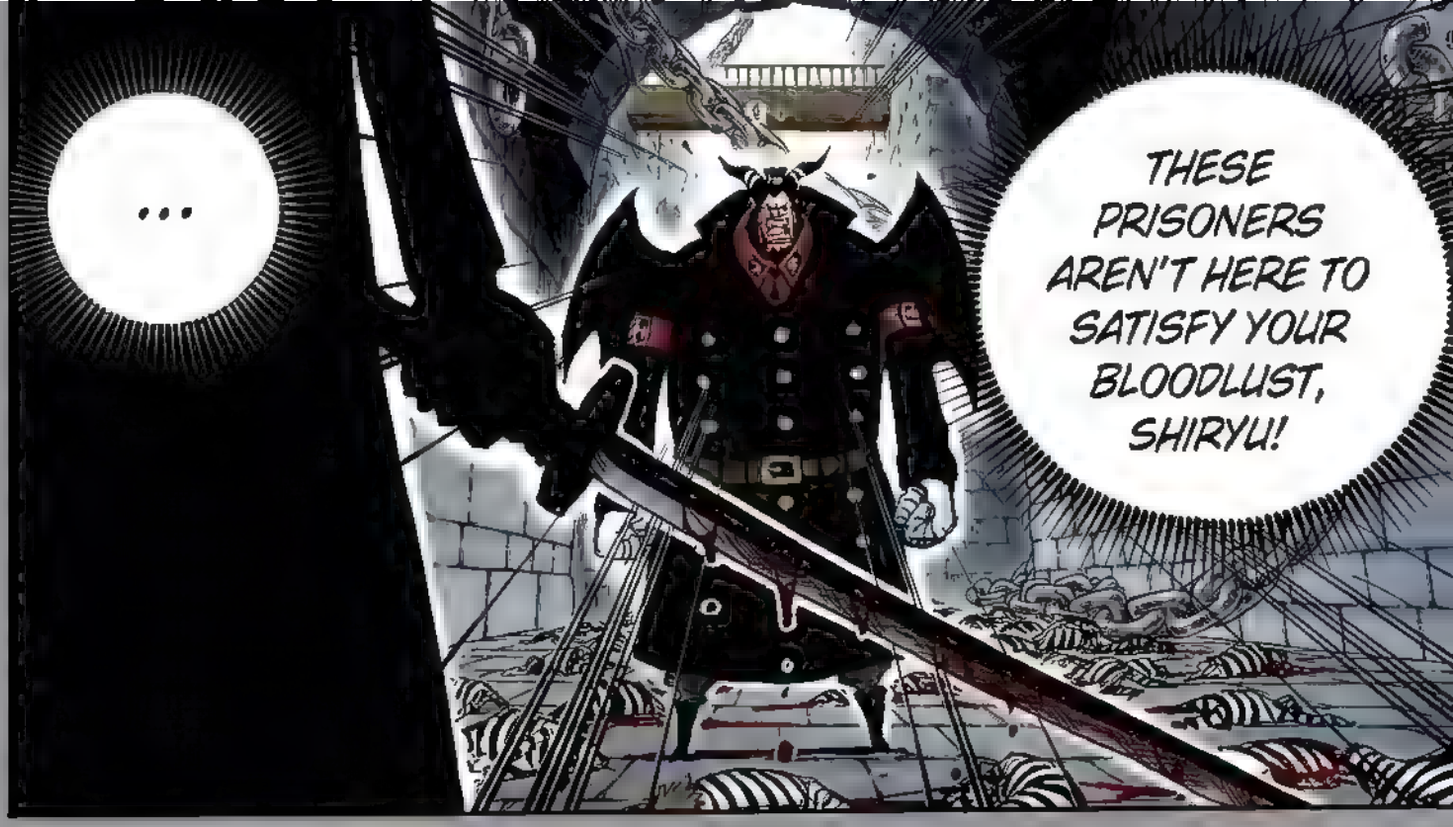
!?
...BUT THAT WOULDN'T HAVE BEEN POSSIBLE A LITTLE WHILE BACK.
FOR EXAMPLE, YOU GUYS MANAGED TO FIGHT YOUR WAY DOWN TO LEVEL 4...
THE GOVERNMENT IS ALWAYS DOING THAT TO PEOPLE THEY FIND INCONVENIENT.
THAT'S BECAUSE THERE WAS ANOTHER POWERFUL PERSON HERE--THE HEAD JAILER.



THEIR DUAL FORCE WAS WHAT GAVE IMPEL DOWN ITS FORMIDABLE REPUTATION.
MORE DEADLY THAN MAGELLAN?!
CONSIDERING WARDEN MAGELLAN'S RELATIVE LACK OF EXPERIENCE, SHIRYU MAY HAVE BEEN EVEN MORE DEADLY.
HIS NAME WAS SHIRYU OF THE RAIN. HE WAS AS POWERFUL AS WARDEN MAGELLAN!



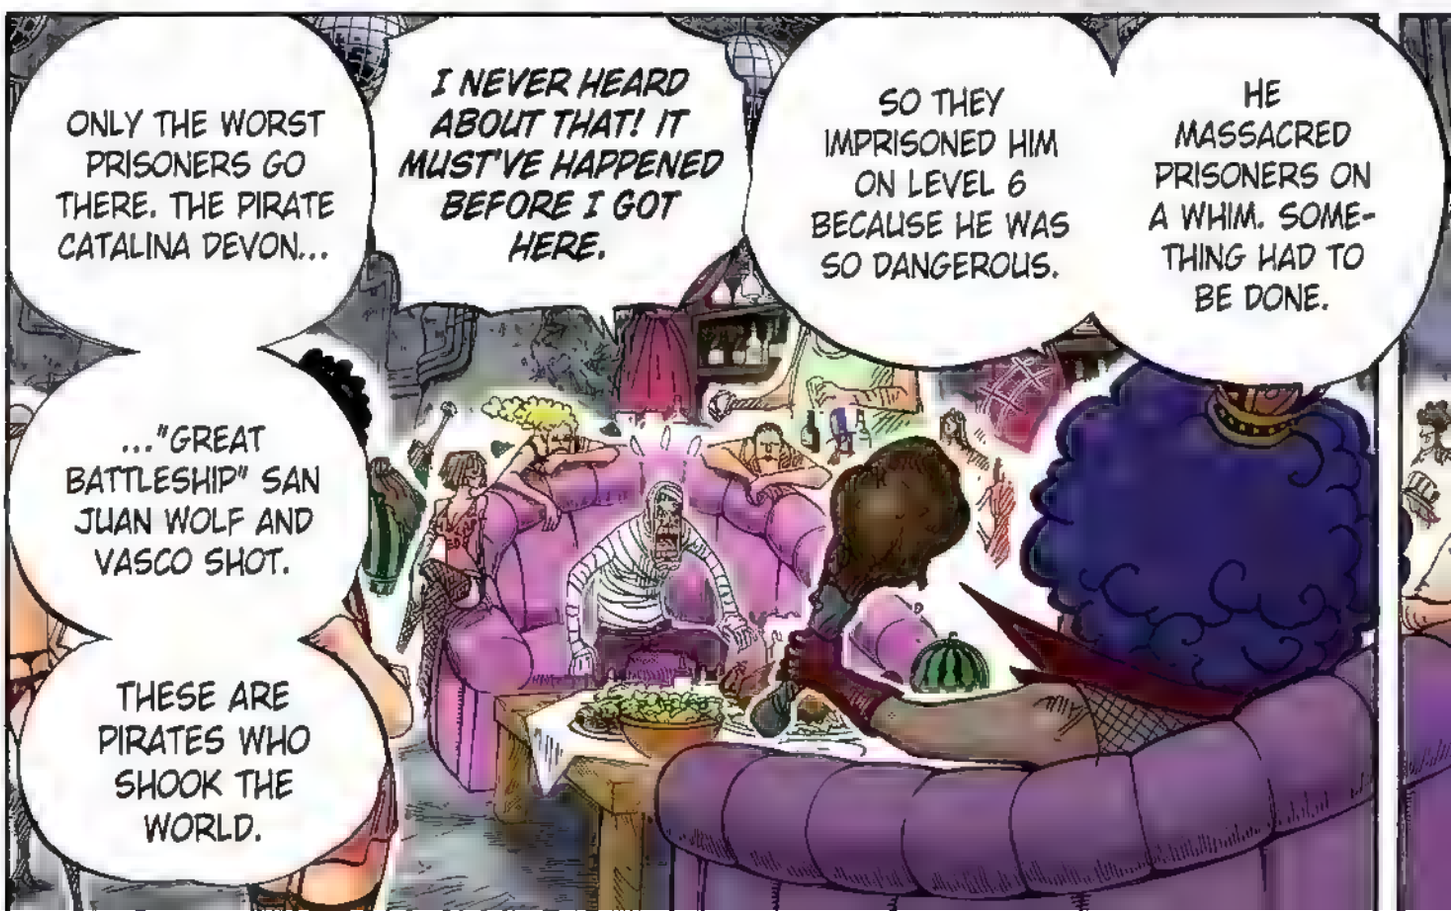
WHAT HAVE YOU DONE?!
SHIRYU!
WHAT?



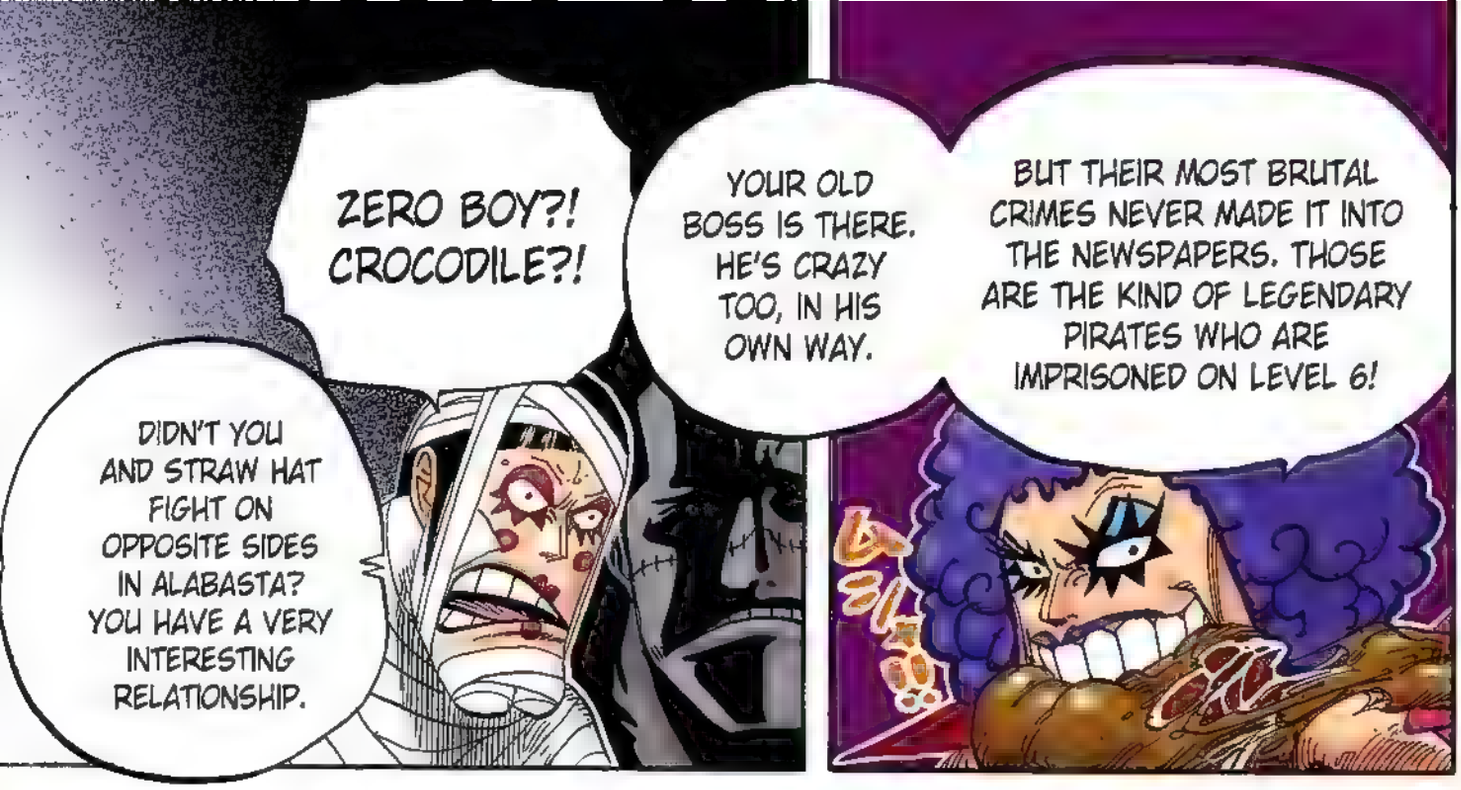
...
THESE PRISONERS AREN'T HERE TO SATISFY YOUR BLOODLUST, SHIRYU!

...IF I CLEAN UP A LITTLE HUMAN TRASH?
WHO'S GOING TO COMPLAIN ...

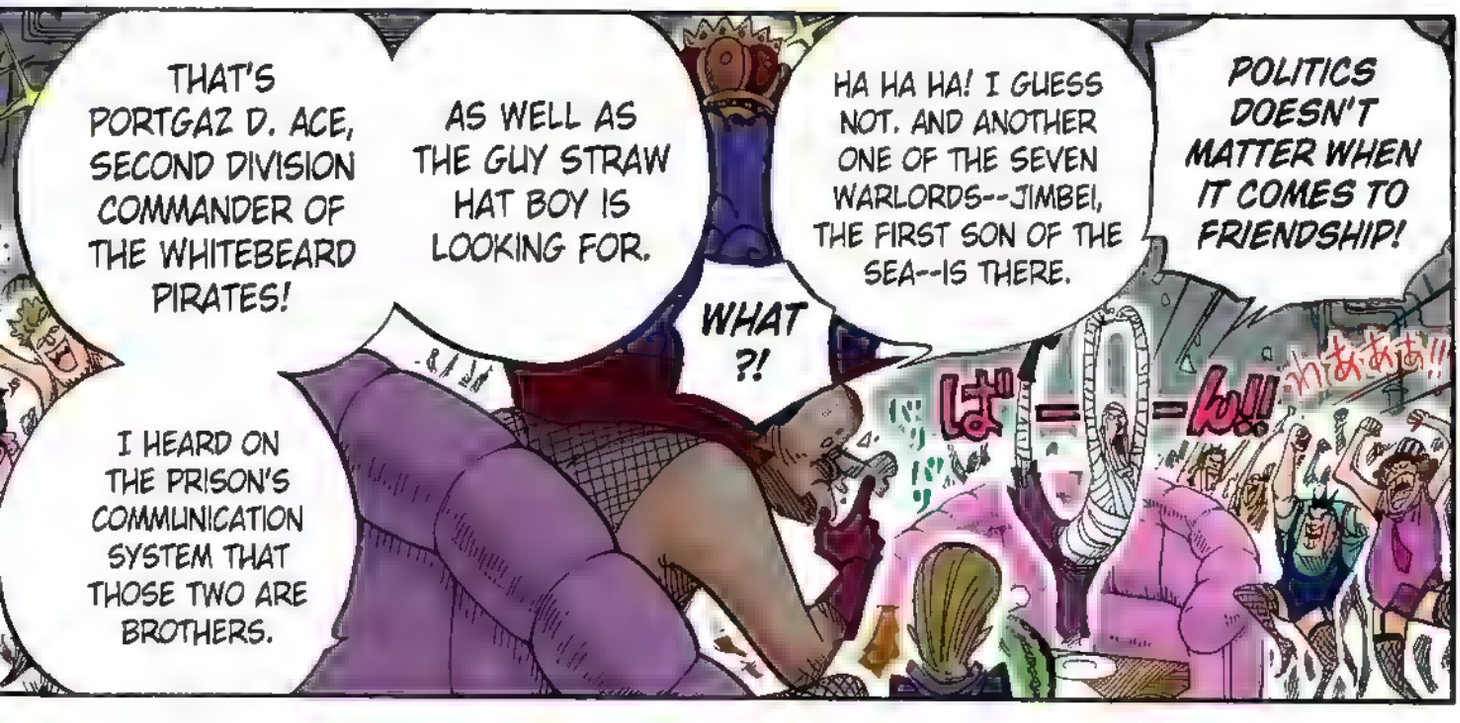
ガチャ!!!



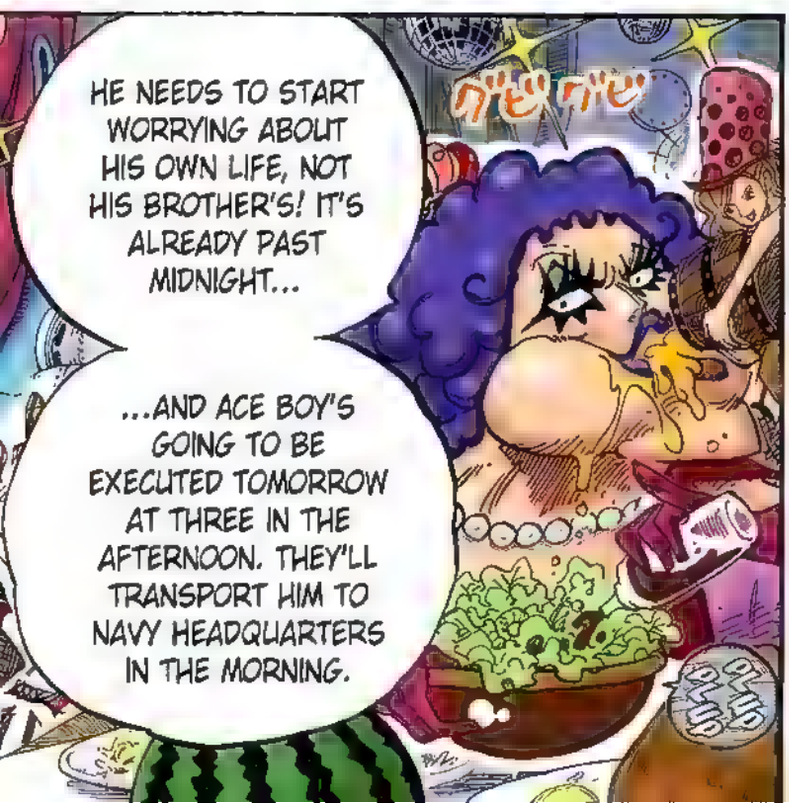
ONLY THE WORST PRISONERS GO THERE. THE PIRATE CATALINA DEVON...
I NEVER HEARD ABOUT THAT! IT MUST'VE HAPPENED BEFORE I GOT HERE.
SO THEY IMPRISONED HIM ON LEVEL 6 BECAUSE HE WAS SO DANGEROUS.
HE MASSACRED PRISONERS ON A WHIM. SOMETHING HAD TO BE DONE.
..."GREAT BATTLESHIP" SAN JUAN WOLF AND VASCO SHOT.
THESE ARE PIRATES WHO SHOOK THE WORLD.



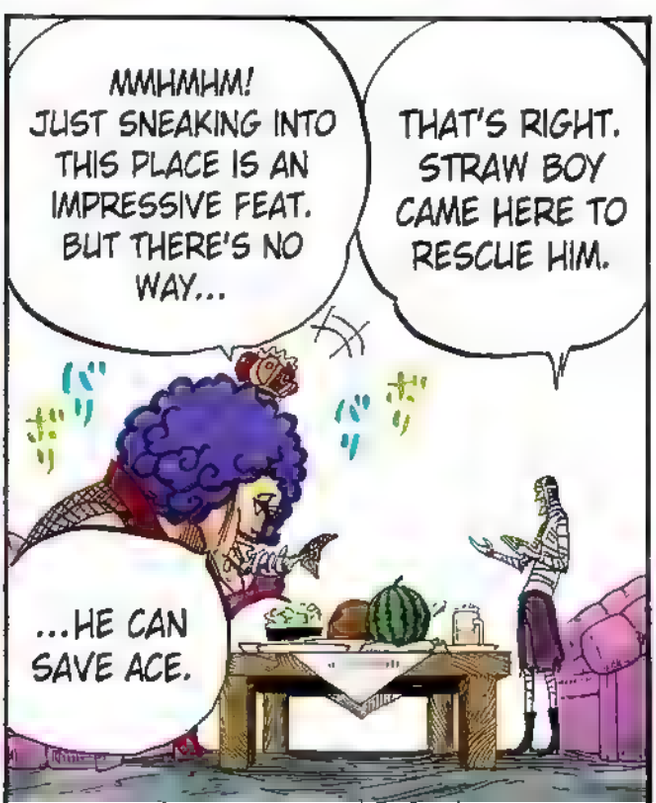
ZERO BOY?! CROCODILE?!
DIDN'T YOU AND STRAW HAT FIGHT ON OPPOSITE SIDES IN ALABASTA? YOU HAVE A VERY INTERESTING RELATIONSHIP.
YOUR OLD BOSS IS THERE. HE'S CRAZY TOO, IN HIS OWN WAY.
BUT THEIR MOST BRUTAL CRIMES NEVER MADE IT INTO THE NEWSPAPERS. THOSE ARE THE KIND OF LEGENDARY PIRATES WHO ARE IMPRISONED ON LEVEL 6!



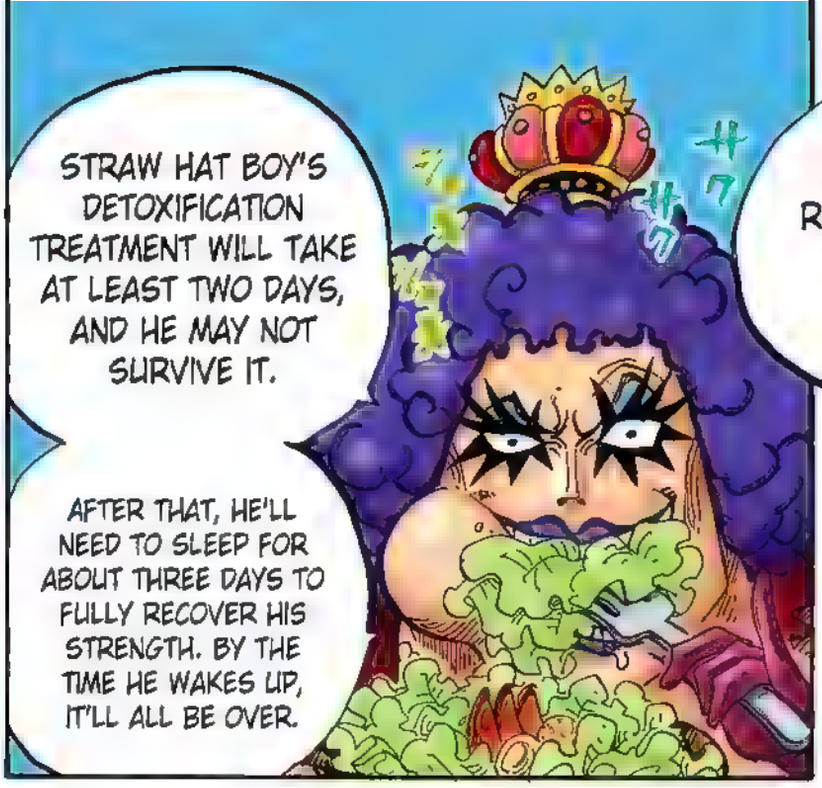
THAT'S PORTGAZ D. ACE, SECOND DIVISION COMMANDER OF THE WHITEBEARD PIRATES!
AS WELL AS THE GUY STRAW HAT BOY IS LOOKING FOR.
I HEARD ON THE PRISON'S COMMUNICATION SYSTEM THAT THOSE TWO ARE BROTHERS.
WHAT ?!
HA HA HA! I GUESS NOT. AND ANOTHER ONE OF THE SEVEN WARLORDS--JIMBEI, THE FIRST SON OF THE SEA--IS THERE.
POLITICS DOESN'T MATTER WHEN IT COMES TO FRIENDSHIP!



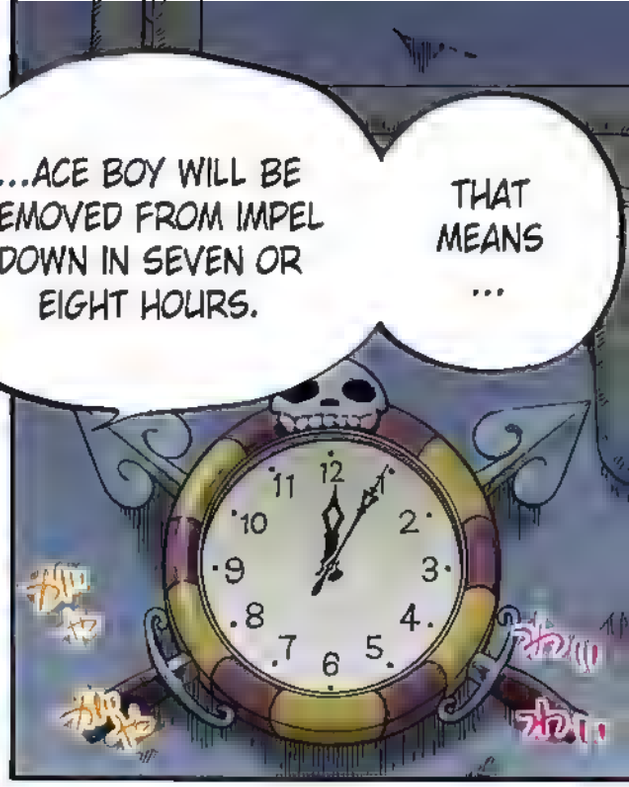
HE NEEDS TO START WORRYING ABOUT HIS OWN LIFE, NOT HIS BROTHER'S! IT'S ALREADY PAST MIDNIGHT...
...AND ACE BOY'S GOING TO BE EXECUTED TOMORROW AT THREE IN THE AFTERNOON. THEY'LL TRANSPORT HIM TO NAVY HEADQUARTERS IN THE MORNING.



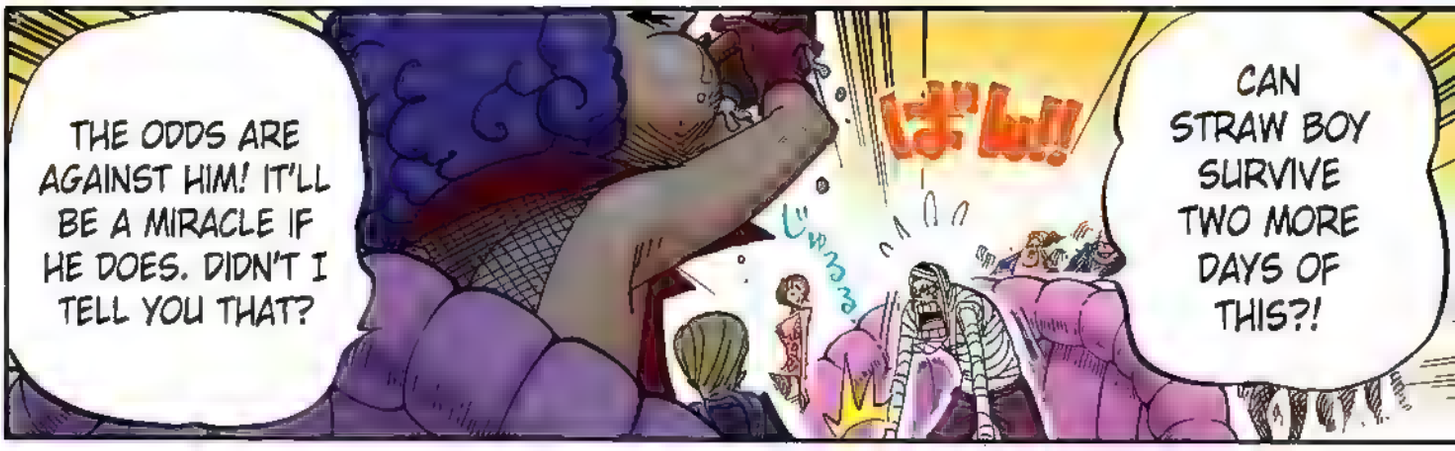
MMHMHM! JUST SNEAKING INTO THIS PLACE IS AN IMPRESSIVE FEAT. BUT THERE'S NO WAY...
THAT'S RIGHT. STRAW BOY CAME HERE TO RESCUE HIM.
...HE CAN SAVE ACE.



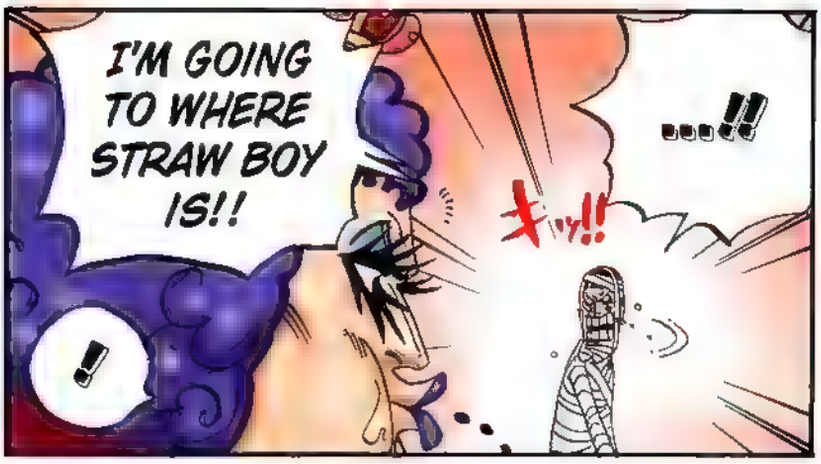
STRAW HAT BOY'S DETOXIFICATION TREATMENT WILL TAKE AT LEAST TWO DAYS, AND HE MAY NOT SURVIVE IT.
AFTER THAT, HE'LL NEED TO SLEEP FOR ABOUT THREE DAYS TO FULLY RECOVER HIS STRENGTH. BY THE TIME HE WAKES UP, IT'LL ALL BE OVER.



...ACE BOY WILL BE REMOVED FROM IMPEL DOWN IN SEVEN OR EIGHT HOURS.
THAT MEANS ...



THE ODDS ARE AGAINST HIM! IT'LL BE A MIRACLE IF HE DOES. DIDN'T I TELL YOU THAT?
ばし!!
じゃろろ
CAN STRAW BOY SURVIVE TWO MORE DAYS OF THIS?!



I'M GOING TO WHERE STRAW BOY IS!!

YOU NEED TO REST TOO.

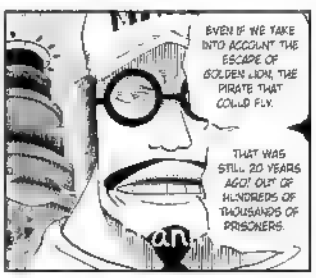
(Mimi 12☆29, Tokyo)

Q: Mr. Oda! Congratulations! There's going to be another *One Piece* movie, and you're writing this one, right? I can't wait! But when I saw the previews on my computer, the words "Golden Lion" jumped out at me. Is this the flying pirate Sengoku spoke of in chapter 530? The one who escaped Impel Down 20 years ago?! Is that who it is?



--12th Rookie Girl

A: Yes, it's the very same Golden Lion. I'd planned to insert the name into the conversation between Whitebeard and Shanks in volume 45, but when I was doing the rough draft I thought it might confuse the readers if I put in too much information, so I left it out. He is one of the great pirates who wreaked havoc in the time of Roger. I didn't think I'd ever make a movie about him though. Anyway, the movie's about Golden Lion finally making his move 20 years after he escaped. There will be a preview on page 192.

Q: Can I get Sadie to whip me too?

--Shimizu Chamoroe

A: What are you talking about?! Is that you again, the 21-year-old guy from Aichi?! Sheriff! We have a weirdo here! No, not me! What?! I'm not allowed to wear underwear on my head?!

Q: When Oars fell and crushed the bridge in volume 48, Franky built a new one to replace it. But where does Franky keep his hammer (and other tools)? Please ask him for me!

--Roll

A: In your underwear, right?

Franky: **Yeah.**

A: Okay! This is the last Question Corner for this volume! But we'll be talking to some voice actors on page 166!

Kappei (K): The elegant dramatizer! Master Usopp's beautiful voice! Here's Kappei!

O: Why'd you say it like that? Dramatizer? You're just a liar!

K: I'm no liar! I'm a dramatizer!

K: (S)tart (B)ooking us as your (S)taff Members. ♡

O: Everyone is Busy even if they don't have airtime! And your SBS meaning is wrong!

K: Oh, it's wrong? Then how about (S)tart off with (B)eer and (S)tuff. Or how about (S)lurp (B)eer (S)tudiously?!

O: What are you, a Bar?! Never mind! You have no intention of Guessing right anyway. Now let's Begin!

Reader (R): I have a question for you, Kappei Yamaguchi. Which voice actors do you look up to? Please answer seriously.☆

--Maguko

Kappei (K): Here comes the serious answer: all of the actors who voice the Straw Hat Pirates. Especially Masako Nozawa and Master Kaneta Kimotsuki.

R: Which of Usopp's lines did you have the most trouble with?

--Moko-chan

K: So many! That line about the person who ate the Paw-Paw Fruit! (Looks into the distance) Wait! That's wasn't my line!

R: And can I see your underpants?

K: Sure. Peace! ♡ V! V!

R: Don't you think Kappei of the Yamaguchi seems a bit weird lately?

--Dachshundoria

K: How rude! I've always been weird!

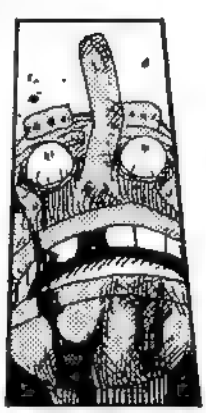
R: When Usopp and Luffy had that big fight in Water Seven, did you really duel with Tanaka?

--Silhouette

K: Well, for the sake of realism, we had to. But it was a pretty pathetic fight.

R: What's the difference between a girl and a woman? And which do you prefer?

--Stiff



K: Well, I really can't talk about it in a magazine for boys! Tee-hee!♡

R: I have a question! Who do you like better, Nami or Robin?

--A High School Girl♡

K: I'll take Kokoro. Blegh!

R: Hello, Mr. Yamaguchi! Here's my question! What's the biggest lie you ever told?

--B'z Fan

K: I've never told a lie in my life.♡

R: Hi, Kappei. Please draw Usopp with your left hand.

--Jump Festa 2009 was Fun

K: How's this?

R: Kappei! Turn your back to me, bite the nail of your right thumb, and look over your shoulder…

Sexy pose!♡

--Bee God

K: I had a picture taken but I was so sexy that the photographer and the camera turned to stone. "Mello-Mello Mellow!"

R: Hello, there! I have a question, Kappei Yamaguchi! Out of the following, which is most important to you: 1. Scripts 2. Japan 3. Pretty girls

--Demomo

K: I rank them 3, 2 and 1.♡

R: Do voice actors with very distinctive speaking voices get noticed a lot in their private lives? That would be my guess. (Especially the popular ones.) Did it ever happen to you?

--Kanna Miyamura

K: Yeah. But they never notice me when I want them to (when is that?), and they always notice me when I don't want them to (when is that?). The world is a strange place.

R: I love you, Kappei!♡♡

Eat this! Rotten Egg Star!☆

--Chan-chan

K: Yuck, it's gooey! (Wipes it on Oda)

O: Hey! What are you doing?! It stinks! Geez... Kappei, let's just end it here! But there's one reader who wants to challenge you! Do you accept?

R: Kappei, let's fight a Negative Battle.

--Marron

K: Run!

O: He ran away!? He just does whatever he wants all the time! Wow, he's fast. Oh, he tripped! (Ha!) What?! He took off! He's flying!? How?! Anyway, see you in the next volume! Hey! Kappei!

O：さーコレ映画ですよコレ。
今回はずいぶん深く
関わっちゃいました。
まーそもそも僕は、
性格的に絶対に仕事に
手を抜けないタチなんで、
映画のシナリオ書いてと
言われた時は「絶対やだ」
と、つっぱねたんだけどね。
⊗Pアニメ、
今年が10周年、映画10本目
というわけで、うっかり
引き受けちゃったが為に、

この2年半、ホント死ぬかと思いました。連載にもボコボコ穴空けちゃいましてね。色んな人に怒られましたが、原作も映画もハンパな作品だけはお届けしたくないんです!! というわけで、楽〜〜のしみにしてていいですよ。みんなを興奮の渦にたたき落として差し上げる日が、楽しみでなりません。
また、次巻詳しく紹介します。

あくびは体内の酸素が足りない時、体が「酸素くれ」っつって出るらしいよ。自分があくびをすると、となりの人もあくびをするのは、自分があくびをする事で、地球上の酸素がぐっと減るからだと思うんだよね。質量保存の法則だね。

そういえば、あの日、僕は大きなあくびをしたなあ。…そう、その日、人類の夢、スペースシャトルが宇宙へ行ったんだって。半分ウソだよ。55巻始まるよー!!

EIICHIRO ODA

尾田栄一郎

There's a type of seedless grape that you can eat whole, skin and all. There's nothing that can make me happier than this. I love them. I love seedless watermelons and seedless persimmons. Let's keep this up and make shell-less crabs or shell-less shrimp! I can eat them whole! Boneless fish sounds good too. Those tiny bones jab the insides of my mouth from time to time, so boneless eels might be nice. But there is one thing I don't want. A manga-less life! Okay, volume 56 is starting now!

-Eiichiro Oda, 2009

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

(By the way, even if I put on two layers and use attached eyelashes, I still can't make my winks that strong.ʒ)

--I ♡ Odacchi *ε*

A: Those eyelashes are 100% home-grown. I get letters asking if Death Wink uses Haki, but no. It's simply a blast of wind that occurs when he blinks.

Q: Help me, Odacchi! I'm studying for my entrance exams, but I just can't concentrate! Say something to get me motivated! Seriously! Say something to all students around the country! I guess this isn't a question.

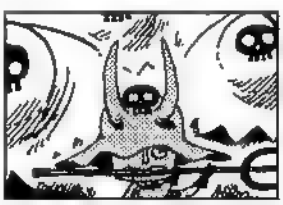
Q: I want to go to Disneyland! (`◦3•´)ぶ
--Take me there, Odacchi♡

A: All right! Let's go ride the Blue Mountain! (Wait, that's the name of the coffee.)

Q: Hello, Mr. Oda! I discovered something about Saldeath! In the scene when he first appears in volume 54, the spear that he carries has black holes set apart in regular intervals! And when we read on, in the panel below the part where it explains Mr. 2's powers, it shows Saldeath holding his spear to his mouth! That means that Saldeath's spear is also some kind of flute and he uses it to play tunes when controlling the Blugoris!



-- "Morning Musume are the Cutest Ever"

A: Yup. I'm surprised you found this out. I didn't want to spend too much time in the battle or else the story would be at a standstill. So those kinds of details end up being pushed into the corner! That's right! Saldeath's spear is also a flute that controls the Blugoris!

Q: I have a question for you, Odacchi. Why do all the inhabitants of New Kama Land wear fishnet stockings? Do you like fishnet stockings, Odacchi? Please tell me.

--Mosako

A: Do I like them? I wear fishnet stockings with a fur coat and nothing else when I draw my manga. As for the reason why the people of New Kama Land wear them, it's because the fishnet stockings were there. It's kind of like how a mountain climber climbs because the mountain is there.

Q: Does Old Lady Nyon have a double butt chin?
--Gon-chan

A: You're right! It's a double chin just like Franky! I wonder if she can shoot out Coup de Vent!

Q: Mr. Oda. On the cover of volume 54, you said that people can normally live up to 140 years. Is Dr. Kureha all right?
--Dummy

A: Well, hmm. Wasn't she 139 years old? Well, 140 is about the max for normal folk, but she's a "superhuman." An elderly person that will die in a year usually doesn't walk around with her belly exposed in the middle of snow.

Q: I just noticed this, but you always listen to your readers, Odacchi. So how about a "New Character Design Contest" or a "The Devil Fruit that I came up with!" type of thing? As for me, well… How about a Diarrhea-Diarrhea Fruit or Poo-Poo Fruit? A person that will never be constipated thanks to the Poo-Poo Fruit!"
--Scorpion Woman

A: No! That's nothing but a normal healthy person! And about that contest, I probably won't be doing it. I don't need it. This might seem a bit cold on my part, but I don't want anybody else's ideas. My editor at Jump changes from time to time, but the first thing I always say to my new editor is "Do not give me any of your ideas." I want to say that all the characters and story are something that I came up with myself. If I started relying on one person, I would end up doing it again with another person. And if I messed up, I might end up blaming that person. If it goes well, it's thanks to me. If it flops, it's my fault. That's something I like. Oh, but there are ideas I want that aren't related to the main story. The cover art of members of the Straw Hat Pirates together with animals. I want ideas relating to that. If you send me letters with stuff like "Draw this character doing something with this animal" then I'll gladly draw it.

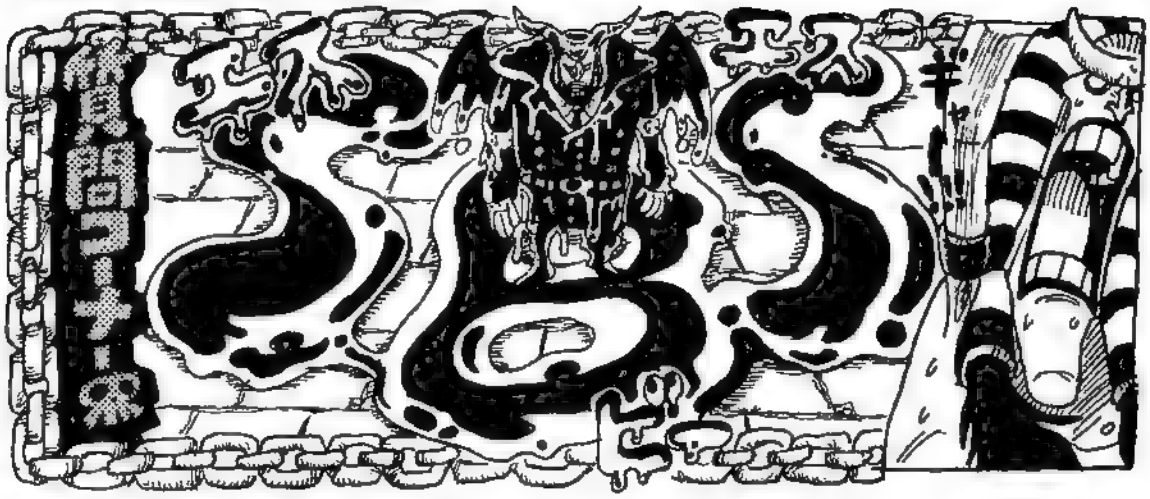
SBS Question Corner



(Ponio-san, Aichi)

Q: One thing that got my attention is the fourth panel on page 5 of chapter 526. Luffy didn't come out of Hancock's cape! He came out from under her skirt! What really happened?! I was so preoccupied with this that I answered "Lagoon" as "Laboon" on my geography test! It's all your fault!

--Sanctuary inside the Skirt♡

A: I can't really take responsibility for your test results, but yes, Luffy was hiding not inside the cape, but under the skirt. Well, he was inside that Chinese dress, to be exact. If he didn't do that, they could just turn over her cape and find him there. He was grabbing onto Hancock directly under her clothes. Hey! Hey! It's nothing weird like that! Geez! The two of them were in a serious situation! If they'd found him, it would have cost lives! Whoops, now I have a nosebleed.

Q: If you cross a raccoon dog and a reindeer, you get Chopper?

--Sugacchi

A: Yes. What? This nosebleed? I just, uh, tripped. Yeah, I tripped earlier.

Q: Master Oda. Knowing you, you'd probably respond with "Yes, one of the guard's rooms was nearby and the prisoner's personal belongings were kept there. He dropped by that area to grab his clothes and cigar. As expected of Crocodile, what a guy, always caring about his fashion." But I will still ask you this. In chapter 540, Crocodile was still wearing his prisoner's uniform, but why was he in his usual clothes with a cigar in his mouth when he appears next?

--Bluebeard

A: You already know most of what's going on! But I'll still answer you. There is a place where they keep the personal belongings of the prisoners. Because the people of Kama Land keep going there to steal more clothes, Kama Land is filled with all kinds of outfits; that includes cigars and whatnot. I skipped the part where it shows that, but Luffy and that group stopped by Kama Land, so he took someone's clothes there. As expected of Crocodile, what a guy, always caring about his fashion.

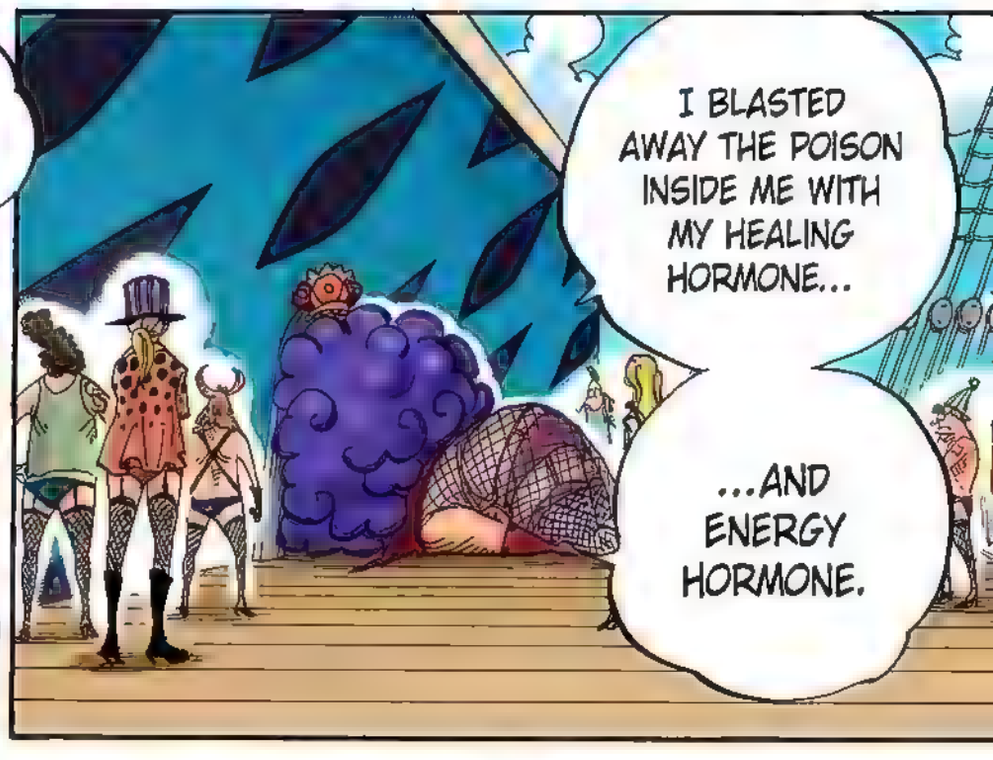
INAZUMA IS OUT OF THIS FIGHT.

BUT THOSE TECHNIQUES SHORTEN THE PATIENT'S LIFE AND LEAVE LASTING EFFECTS!
IT'S BETTER TO LET THEM RECUPERATE AT A SLOWER PACE.



I BLASTED AWAY THE POISON INSIDE ME WITH MY HEALING HORMONE...
...AND ENERGY HORMONE.

INAZUMA IS NEEDED IN THE REVOLUTIONARY ARMY.
WE CAN'T LET HIM OVEREXERT HIMSELF NOW!

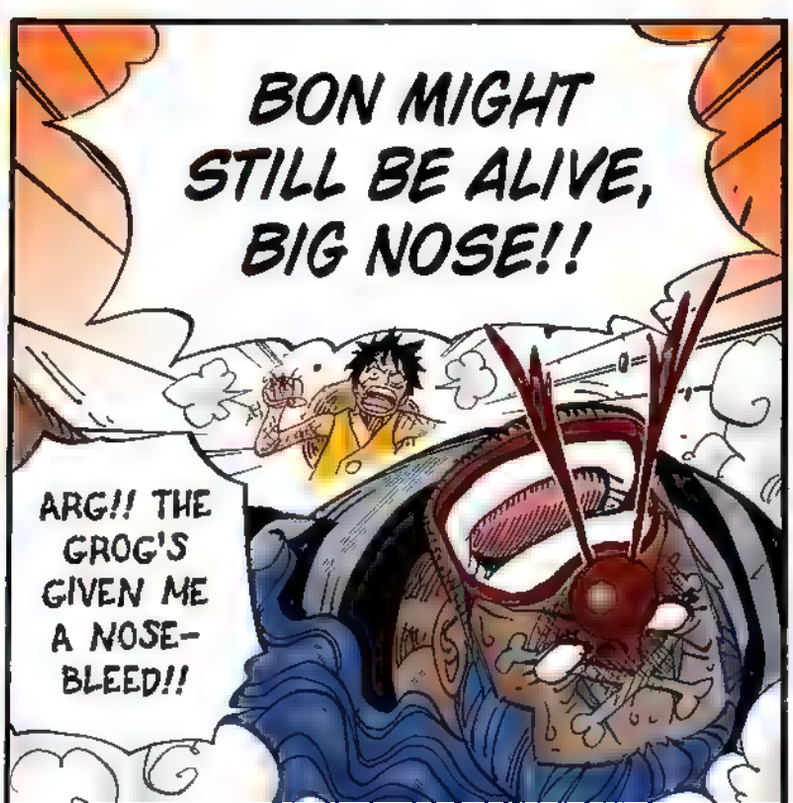
ONCE YOUR LIFE GETS SHORTENED, THOSE LOST YEARS ARE GONE FOR GOOD!
NKL

H"H"
BON!!
BIG BROTHER BON!!
I FINALLY MEET HIM AGAIN AND HE SAVED ME AGAIN.
YOU KNOW...
...HE WASN'T SUCH A BAD GUY.

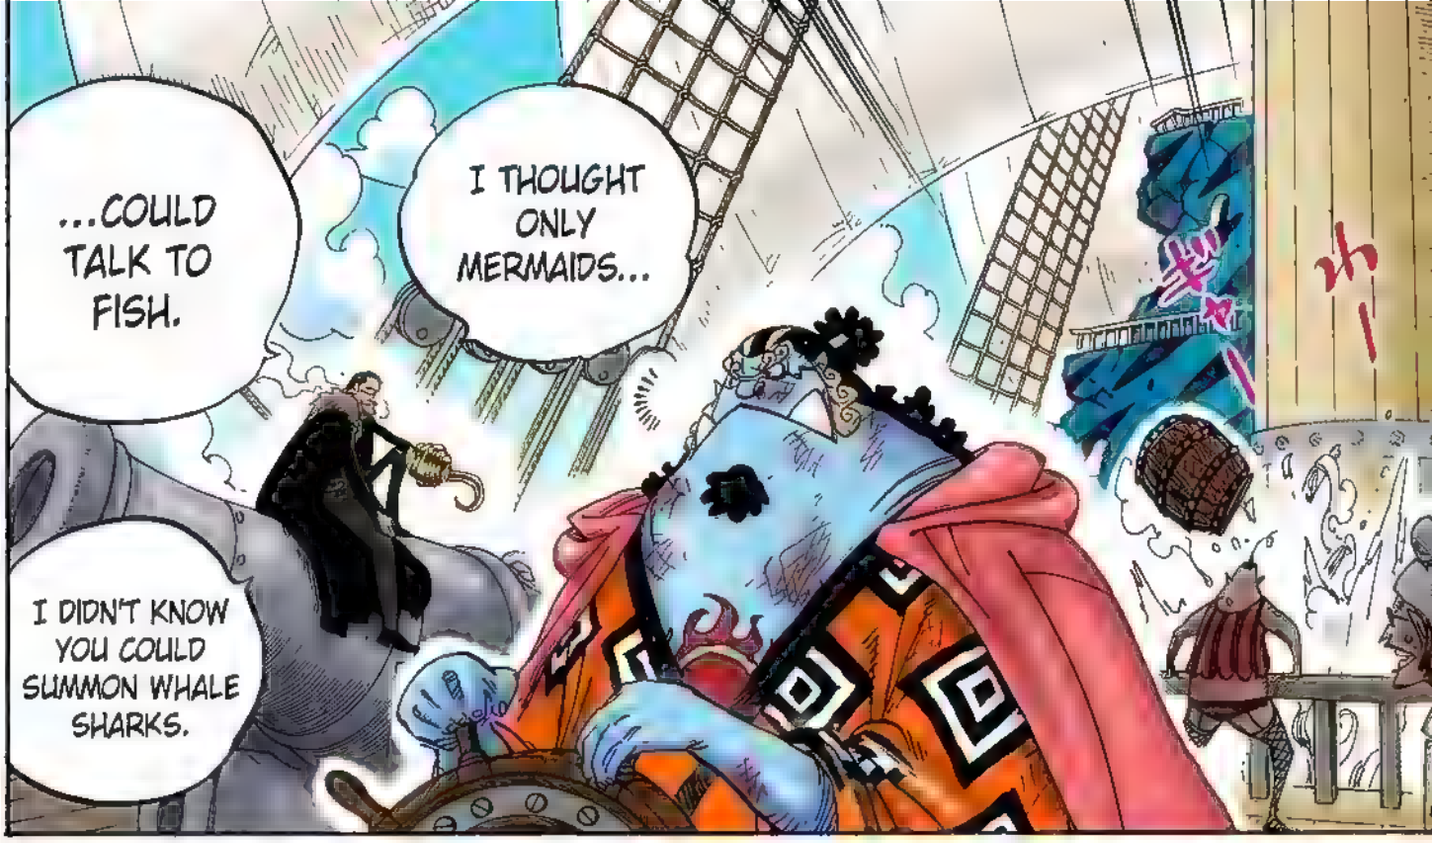
DRINK UP!!
I KNOW! WE'LL HOLD A WAKE FOR MR. 2!!

LET'S HAVE A PARTY!!
HE WAS A NICE GUY, BUT SO WHAT?! HE'S DEAD!
COME ON, YOU SWABS! HOW LONG ARE YOU GONNA SULK?!
WE GOTTA CELEBRATE OUR PRISON BREAK!!
ｳｨ...

YOU GOT A BIG STUPID RED NOSE!!
HEY! WHO YOU CALLIN' "BIG NOSE"?!

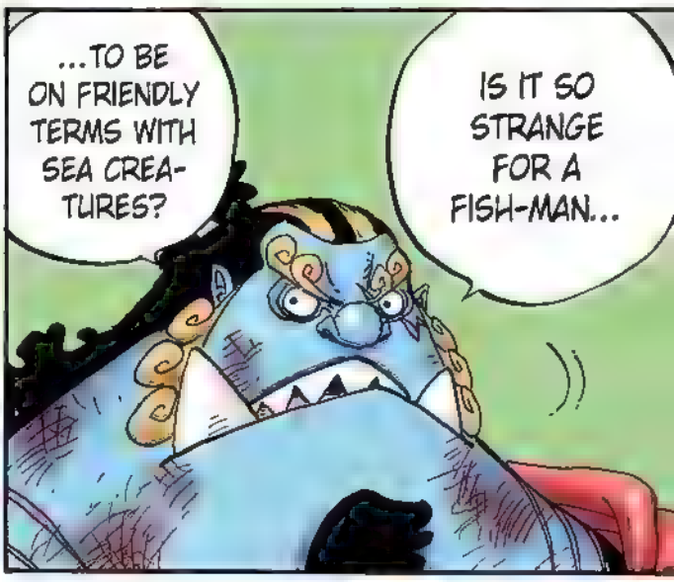


BON MIGHT STILL BE ALIVE, BIG NOSE!!
ARG!! THE GROG'S GIVEN ME A NOSE-BLEED!!

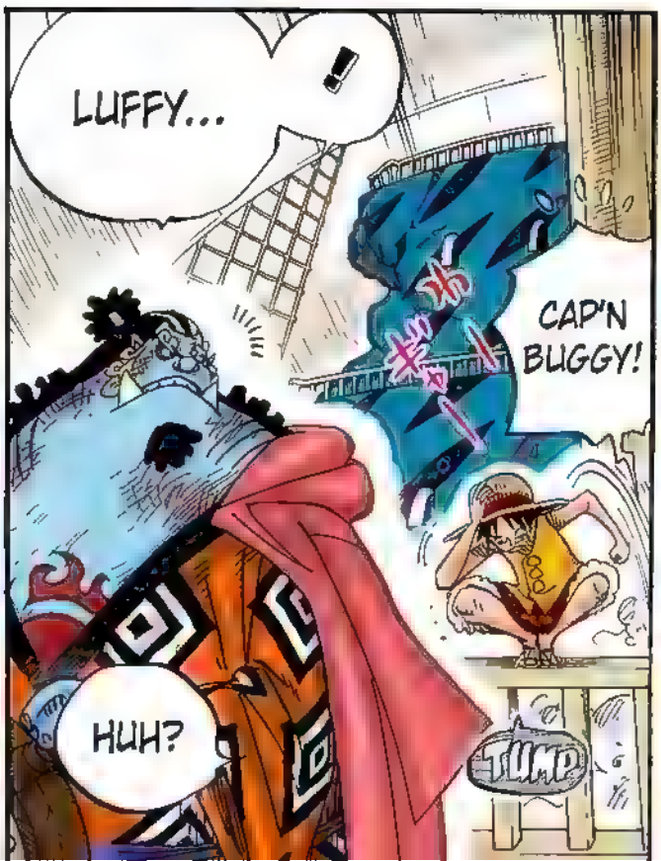


...COULD TALK TO FISH.
I THOUGHT ONLY MERMAIDS...
I DIDN'T KNOW YOU COULD SUMMON WHALE SHARKS.

YOU MUST BE AN EXCEPTION TO YOUR BARBARIC RACE.
IT'S UNUSUAL FOR A FISH-MAN TO BE ON FRIENDLY TERMS WITH ANYONE.



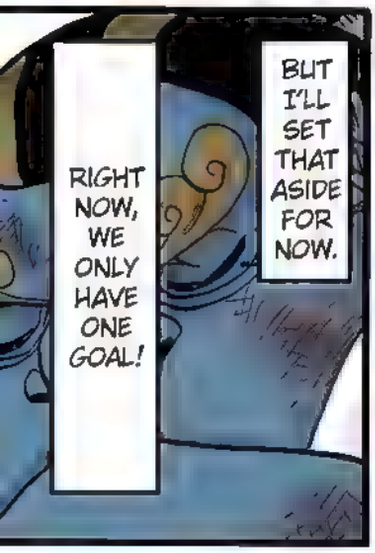
...TO BE ON FRIENDLY TERMS WITH SEA CREATURES?
IS IT SO STRANGE FOR A FISH-MAN...



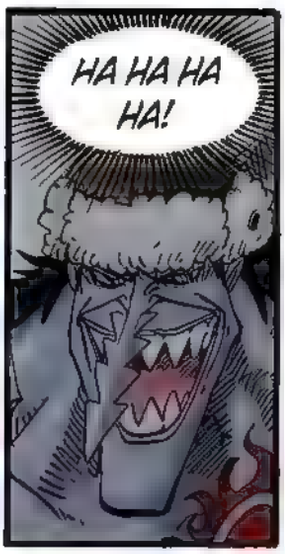
LUFFY...!
CAP'N BUGGY!
HUH?
THUMP

YOU'RE RIGHT! FISH-MEN ARE BARBARIC!
I'LL TAKE THAT AS A COMPLIMENT.

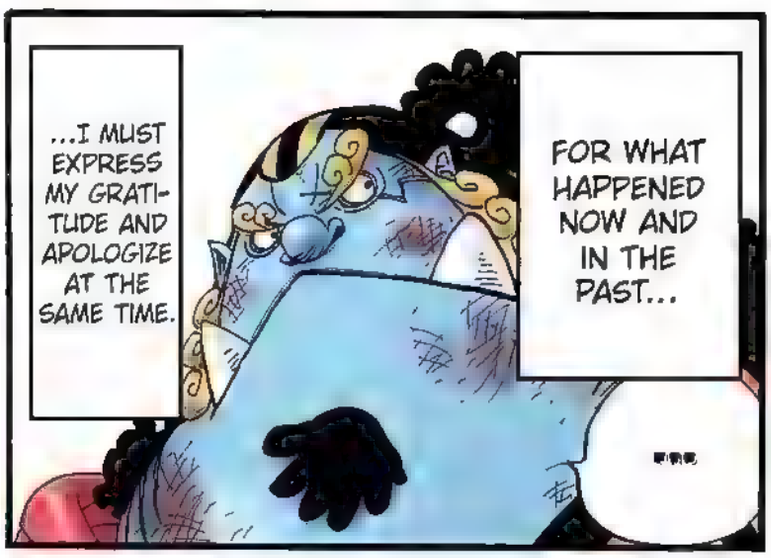
I OWE YOU A GREAT DEBT FOR ALLOWING ME TO HELP WITH ACE'S RESCUE.
AW, YOU DON'T NEED TO THANK ME.
BESIDES, I SHOULD THANK YOU! I'M GLAD YOU'RE WITH US!
YOU'RE REALLY STRONG!



BUT I'LL SET THAT ASIDE FOR NOW.
RIGHT NOW, WE ONLY HAVE ONE GOAL!



HA HA HA HA!



...I MUST EXPRESS MY GRATITUDE AND APOLOGIZE AT THE SAME TIME.
FOR WHAT HAPPENED NOW AND IN THE PAST...

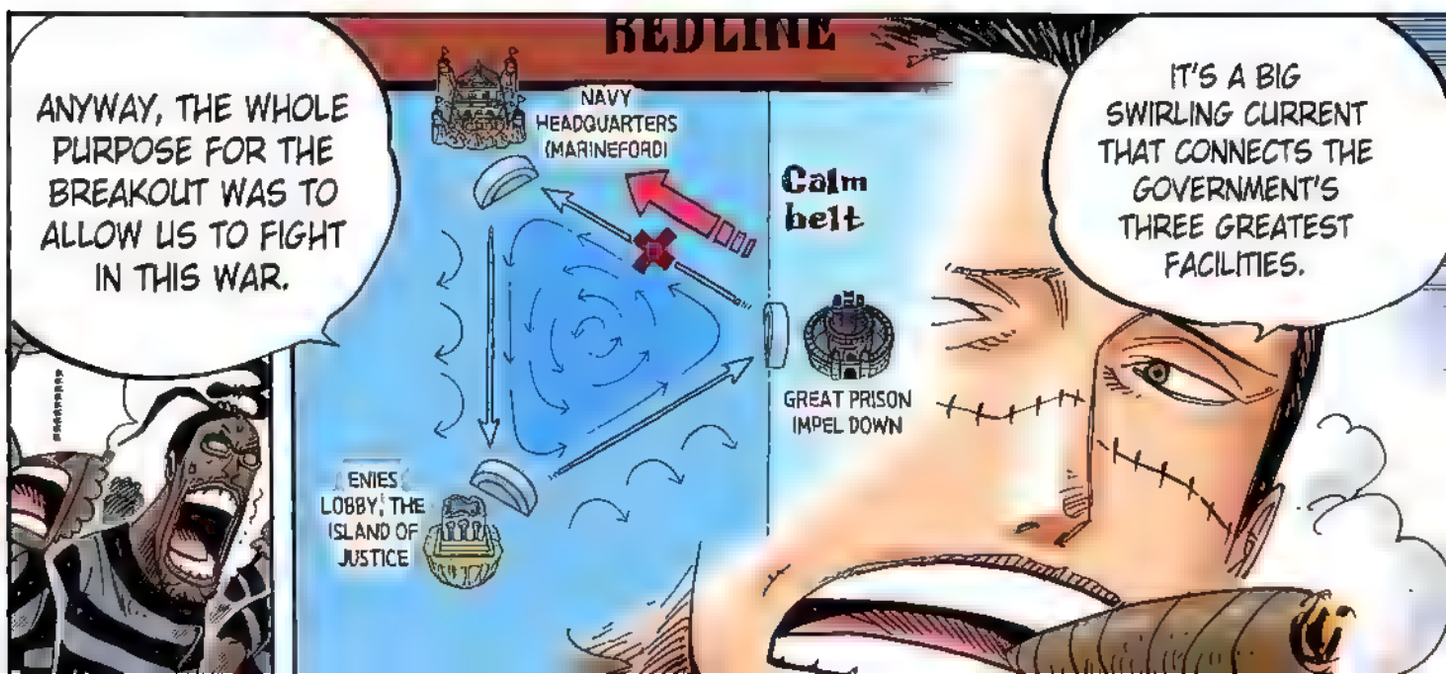
WHAT?!

I'LL CREATE AS MUCH HAVOC AS I CAN AT NAVY HEADQUARTERS!
I USED TO BE ONE OF THE SEVEN WARLORDS OF THE SEA, THOUGH MY TITLE HAS PROBABLY BEEN REVOKED.
JUST CALL ME JIMBEI.
LET'S FULFILL BON'S LAST WISH AND SAVE ACE!

HOLD ON! WHAT'S THIS ABOUT NAVY HEADQUARTERS?! YOU'RE TELLING ME THIS SHIP IS GOING TO NAVY HEADQUARTERS?!
WHITE-BEARD AND THE NAVY ARE ABOUT TO GO TO WAR!!
NO WONDER YOU'RE SO STRONG!!
YOU'RE ONE OF THE SEVEN WARLORDS OF THE SEA?!
WASN'T IT OBVIOUS?
FORGIVE ME FOR NOT INTRODUCING MYSELF SOONER.

AFTER WE PASS THROUGH THE GATES OF JUSTICE, THERE ARE ONLY TWO PLACES WE CAN GO--NAVY HEADQUARTERS OR ENIES LOBBY.
WHAT ?!
NOT VERY SHARP ARE YOU?
RIGHT NOW, WE'RE ON THE GOVERNMENT'S PRIVATE SEA ROUTE, THE TUB CURRENT.

WHAT?! NAVY HEAD-QUARTERS ?



ANYWAY, THE WHOLE PURPOSE FOR THE BREAKOUT WAS TO ALLOW US TO FIGHT IN THIS WAR.
REDLINE
NAVY HEADQUARTERS (MARINEFORD)

ENIES LOBBY, THE ISLAND OF JUSTICE
IT'S A BIG SWIRLING CURRENT THAT CONNECTS THE GOVERNMENT'S THREE GREATEST FACILITIES.

THIS IS NAVY HEAD-QUARTERS.
UM, HELLO?
KLAK!!
RING RING!!
DON'T IDENTIFY YOURSELF!! YOU'RE A PIRATE!!

THIS WAR IS NAVY HEAD-QUARTERS AND THE SEVEN WARLORDS OF THE SEA VERSUS THE WHITEBEARD PIRATES!! THAT'S SCARIER THAN ANY PRISON!!

WE'VE IDENTIFIED THE TWO RING-LEADERS...
...FROM THE PRISON'S VIDEO TRANS-MISSIONS!
TWO?

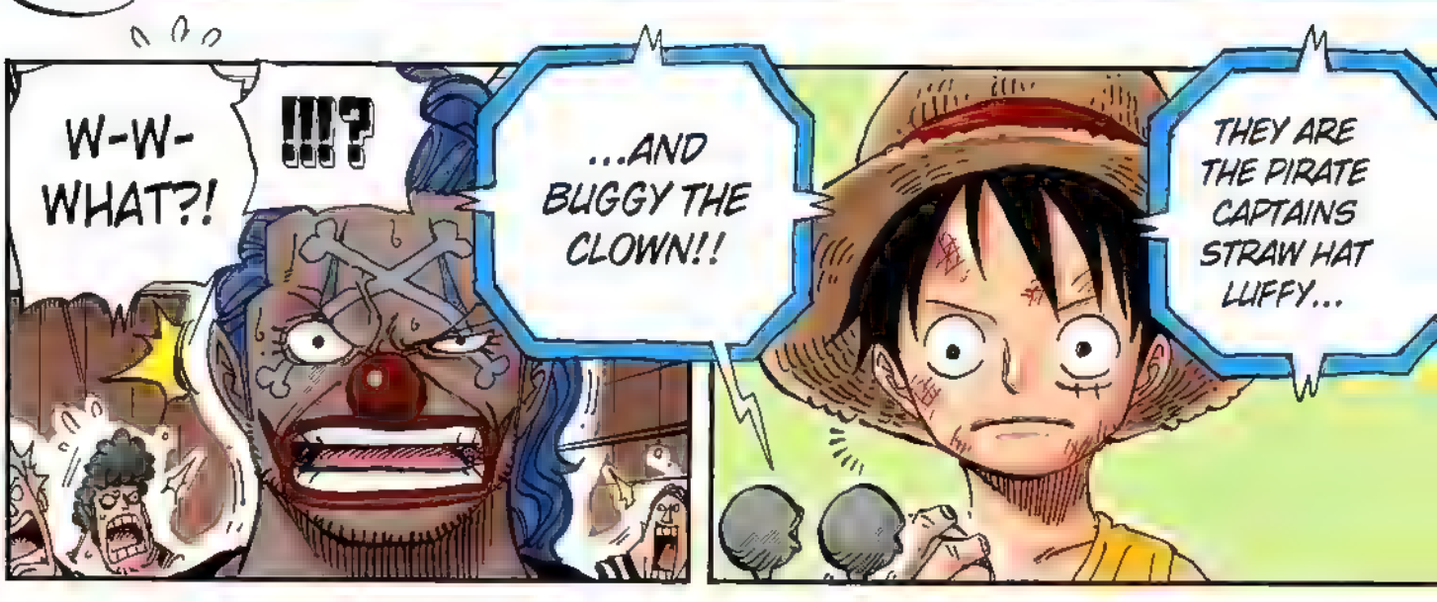
THE IMPEL DOWN SECURITY FLEET REPORTS...
...THAT A GROUP OF ESCAPED PRISONERS HAS CAPTURED A SHIP.



W-W-WHAT?!

THEY ARE THE PIRATE CAPTAINS STRAW HAT LUFFY...

NAVY HEAD-QUARTERS
BRING ME THE DATA.
HERE YOU ARE, SIR.

WHO ARE YOU?!
WHAT?! SERI-OUSLY?! THEY SEE CAP'N BUGGY AS A BIGGER THREAT THAN JIMBEI?!
WHY ME?!

...BUT WE'VE SINCE DISCOVERED THAT YOU ONCE SAILED WITH THE PIRATE KING, GOLD ROGER...
...ISN'T THAT RIGHT, BUGGY THE CLOWN?!
!!
どよっ!!

WE WERE SURPRISED THAT A MAN OF YOUR CALIBER HADN'T MADE MUCH TROUBLE BEFORE NOW...

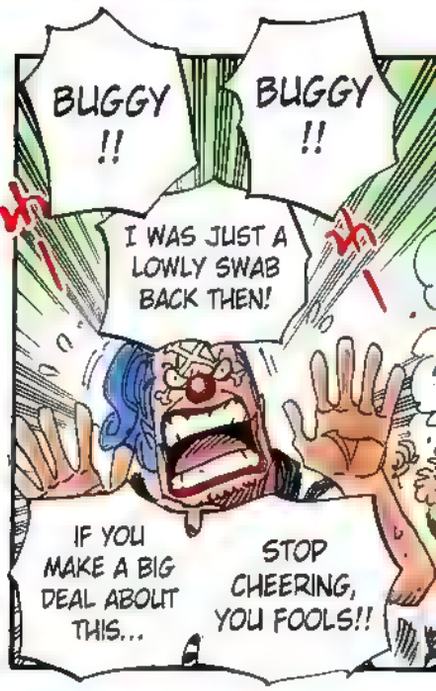
OUR SAVIOR REALLY IS A GREAT PIRATE!!
THIS IS BAD! IF THEY KNOW ALL THAT, THEY'RE SURE TO COME AFTER ME!!
HOLD ON! CAP'N BUGGY?!
YOU SAILED WITH THE PIRATE KING?!
THERE ARE A FEW ROTTEN APPLES ON EVERY SHIP.
SO WHY DO YOU PLAY SO DIRTY?!
...
AND YET HE'S SO WEAK.
HE HAS AN IMPRESSIVE PAST.
AHH... THAT BRINGS BACK MEMORIES! WHERE IS THAT OLD SEA DOG NOW?!
WHAT?! YOU MET RAYLEIGH?! HOW WAS HE?!
AN OLD MAN NAMED RAYLEIGH. YOU KNOW HIM, RIGHT?
FIRST MATE?!
OH, RIGHT. THE FIRST MATE SAID SOMETHING LIKE THAT.
NOW THEY'RE TALKING ABOUT RAYLEIGH, THE DARK KING!! I CAN'T BELIEVE THIS!!

THIS IS GREAT!! YOU WERE PART OF THAT LEGEND-ARY PIRATE CREW!!
...IF THEY THINK I'M A BIG SHOT, THEY'LL HUNT ME RELENTLESSLY.
WAIT!! HOLD ON!! WHAT YOU HEARD IS TRUE, BUT...
I KNEW YOU WERE SOMEBODY SPECIAL!
CAP'N BUGGY!!
ああああああ!!

IF I SOMEHOW MANAGED TO KILL WHITE-BEARD, I'D...I'D...

I'M THEIR HERO RIGHT NOW! THIS IS MY BIG CHANCE!!
BUT IT FEELS SO GOOD!! FINE, THE NAVY'S OVERESTIMA-TING ME, BUT THIS COULD BE A GOOD THING. AND EVERYTHING THEY SAID IS TECHNICALLY TRUE!



BUGGY!!
BUGGY!!
I WAS JUST A LOWLY SWAB BACK THEN!
IF YOU MAKE A BIG DEAL ABOUT THIS...
STOP CHEERING, YOU FOOLS!!

THAT'S IT! A LOT OF THESE GUYS PROBABLY HAVE BIGGER BOUNTIES ON THEIR HEADS THAN I DO, BUT IF I PUT THEIR TALENTS TO WORK FOR ME, THE SKY'S THE LIMIT!!

AND THEN I'LL SOON BE...
...KING OF THE PIRATES!!

...THE FOUR EMPER-ORS!!
...I'D BECOME ONE OF...

AND THEN WE'LL BE FREE!!
COMMAND US!! WE'LL TAKE THIS SHIP AWAY FROM THOSE BLOKES WHO WANT TO GO TO NAVY HEAD-QUARTERS!!
MUMBLE MUMBLE
WE'LL FOLLOW YOU ANYWHERE, CAP'N BUGGY!!

AND WE'VE GOT CAP'N BUGGY TO LEAD US!
WE JUST GOT OUT OF PRISON!! WE DON'T WANNA GO TO NAVY HEADQUARTERS!!

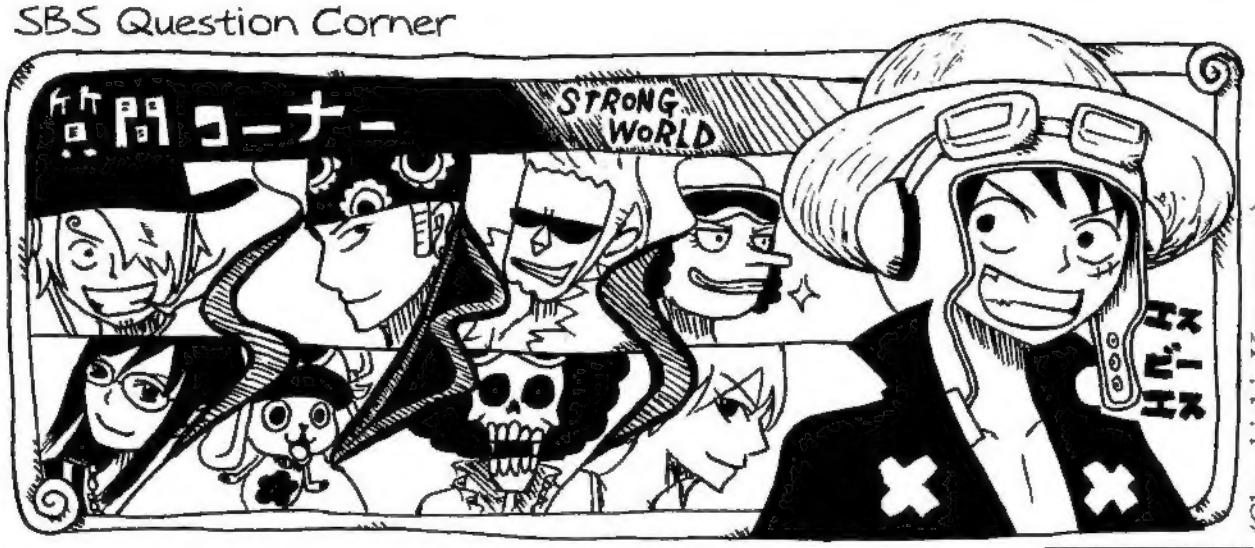
SBS Question Corner



(Chonkichi, Kanagawa)

Q: What's inside Hannyabal's chin? Is it filled with dreams?

--Sappina

A: Yeah, I guess. It's filled with dreams by the name of ambition.

Q: Nice to meet you, Mr. Oda. I have a question. If *One Piece* took place in the real world, where would each of the Straw Hat Pirates be from?

--Michale Jackson's Brother

A: I didn't really put too much thought into this, but this would fit with their images.

Luffy (Brazil)

Zolo (Japan)

Nami (Sweden)

Usopp (Africa)

Sanji (France)

Chopper (Canada)

Robin (Russia)

Franky (America)

Brook (Austria)

Q: Iva's Death Wink creates some really weird sound effects. Tell me how I'm supposed to say them! ♡

--Muffy the Straw Hat

A: You sure got a sharp eye there. I gave it that particular sound effect because no ordinary sound effect could completely express what a powerful blast it is. Sometimes, I forget about it when drawing the drafts, but I always end up adding it back in. Say it with me, everybody! Blinkity Blink! Anyways, that's it for this volume's Question Corner! The voice actor Question Corner will also be taking a break this time around. See you next volume!
